Town Administration
Lake Lure, N. C.

Dear Sirs:

The Lake Lure Civic Association voted at the general meeting of April 12, 1954, that a letter be addressed to the town officials requesting an ordinance be passed as follows:

" that no trees be sold or removed from town property visible along the highways or from park areas unless where deemed absolutely necessary for the preservation and beautification of such areas".

It is considered to be of great importance as a tourist attraction to preserve as much of the natural beauty of Lake Lure as possible.

We hope that such an ordinance will serve as a good example and to help property owners around the lake to become more conscious toward preserving the natural beauty.

Sincerely yours,

Ben J. Moore
