City Commission Of Lake Lure N.C. August 11th 1959.  
Lake Lure N.C.

Attention Mr Paul Wilson;  
Mayor.

Gentlemen;

We the residence of Lake View Road kindly urge you to write the owner of the property across the Cove from Lots 108 and 109 Timber Cove Subdivision, requesting them to clear up the Debris that remains from the burned down Boat house and and Main Building, both of which are in and on the Edge of the water.

It is our understanding that you now have an Ordinance which requires the removal by owner of any unsightly condition on the Lake.

Since the property is on the water we assume that your present ordinance does take care of this situation.

We suggest that the City Commission write the Owner that all of the existing Debris be removed in Two Weeks, also advising him if it is not removed within this time limit the City will have it removed and charge said owner with cost ~~of~~ involved.

Trusting that you will give this matter your prompt attention as it is a real Eyesore to the Lake and surrounding property. Lets keep Lake Lure the beautiful Lake that it is, and of which we are all so proud.

Yours Truly
