

MINUTES OF A REGULAR MEETING
OF THE BOARD OF COMMISSIONERS OF
THE TOWN OF LAKE LURE, N.C.
JULY 9, 1974

The regular meeting of the Board of Commissioners was held in the Town Hall on July 9, 1974. In the absence of Mayor Paul Wilson, the meeting was called to order by Commissioner Don Cothran at 7:35 P.M.

The minutes of the last meeting were read, and Mr. Bell asked that the following names go on record as having objected to the Golden Eagle Rides being located in Lake Lure; Mr. & Mrs. Joe Bell, Mr. & Mrs. Ken Calhoun, and Mrs. Helen Nelson.

Mr. Bell acting as spokesman for some of the townspeople who objected to the rides being in Lake Lure, read a list of things they were opposed to:

1. The manner in which the rides were brought in.
2. Police cars being used for private use.
- 3 Wearing police uniforms in The Town Hall.

At this point Mr. Bell asked that the two Volunteer Policemen resign. After discussion support was shown for the Volunteer Police Officers and the subject was dropped.

Mr. Cothran explained that although criticism of the venture was expressed at a prior meeting, much support had been shown and this was the only opportunity to get the rides at this time. This was the reason he requested that they come. Mr. Cothran made a motion he ask them to leave the next morning and the motion was seconded by Jim Nance. The vote was unanimous.

Mr. Strangward asked if the lake couldn't be brought down as low as had been in the past, for repairs to boathouses, walls, etc. He also requested that the commissioners consider, passage of a State Legislation, topass a bill authorizing all tax payers in the city limits to vote on all community affairs. Both Mr. Cothran and Mr. Nance said they would be happy to consider it subject to research by Mr. Nesbitt, the Town Attorney.

Mrs. Bell asked if we could have a meeting, something apart from the regular business meeting, every other month, to discuss indivual problems.

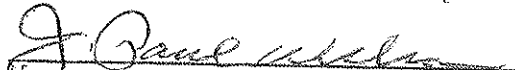

Mrs. Calhoun asked that Stephen Pinker be allowed back into the Junior Police. Mr. Cothran said it would be alright to invite him back.

Mr. Cothran asked Claude Nelson if he would assist in the Junior Police program and Mr. Nelson agreed to do so.

Commissioner Cothran made a motion that the Town consider Life Insurance and Hospitalization for the two policemen. The initial fee of \$50.00 per officer and one half the monthly payments to be paid by the Town, the motion was seconded by Jim Nance. The vote was unanimous.

Motion was made by Don Cothran and seconded by Jim Nance to pay the Auditors Fee for the Electric Power Facility audit.

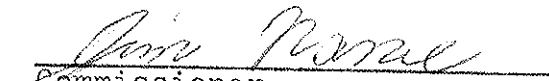

There being no other business the meeting was adjourned at 10:45 P.M. O'clock.
