Mayor Paul Wilson called the meeting to order and asked that the minutes of the regular meeting held on January 13, 1975 be read. Motion was made by Don Cothran, seconded by Jim Nance they be accepted as read. The vote was unanimous.

Upon motion of Commissioner Cothran, seconded by Commissioner Nance and unanimously adopted the Board voted to purchase a telephone answering device and to list in the telephone directory in addition to our police number, the numbers of the dispatcher at the jail in Rutherfordton and Dr. Burch's number be used as alternates.

Upon motion of Commissioner Cothran, seconded by Commissioner Nance and unanimously adopted the Board voted to pass a Resolution to change the names of four city streets. The Resolution is attached to the minutes.

Mr. J.J. Wood brought up the subject of the Sidney Melon property. Mr. Nesbitt answered by saying he had sent a letter and as yet had received no reply. After much discussion on this matter it was decided that Mr. Nesbitt complete the title search and advise the Board as to the next course of action.

Mrs. Martha Donelan mentioned the newly planted trees at the Lake Lure Community Building and asked to purchase one in her name for the Town.

In answer to Mr. Wm Keller's question of whether we needed the N.C. Wild Life Resources Commission in our area, Commissioner Nance made a motion, seconded by Commissioner Cothran, that the Town Attorney, Mr. Nesbitt check into this matter.

Mrs. Donelan inquired about a split rail fence to be erected at the Lake Lure Community Center. Mayor Wilson had checked on the cost of the materials and said it would be about \$590.00. He stated that the repairs to the building was the primary interest and if there was any money left it could be used for the fence. Ken Calhoun had estimated it would take about 700' of fencing. It was suggested that an accurate measurement be made.

Commissioner Cothran made a motion to get the fence regardless of cost.

Commissioner Cothran said if anyone wanted to donate a bush to bring it to the Town office and the city men would put them out. Mr. Calhoun stated they were going to have a professional to do the landscaping.

Mr. Cothran made a motion to build a new City Hall.

There being no further business Commissioner Nance made a motion, seconded by Mayor Wilson that the meeting be adjourned.

*Town of Lake Lure*

LAKE LURE, N. C. 28746

I respectfully request that this letter be read and put in the minutes as follows- I want to thank the people who elected me to office and let them know I have done all that I can. For it's a small majority that runs this town! I have found it also impossible to do what I intended to do to help our town. Under these circumstances I find it necessary that I turn in my resignation. I'm making it effective as of Feb. 12, 1975

Mr. Don Cothran

Town Commissioner
