

MINUTES OF A SPECIAL MEETING
OF THE BOARD OF COMMISSIONERS OF THE
TOWN OF LAKE LURE, N.C.
May 23, 1984

A special meeting of the Board of Commissioners was held in the Town Office, May 23, 1984, at 6:00 p.m. The following members were present Mayor Charles Hicks, Commissioners Frankie Queen, Woodrow Price, Sadye Gruver, and Ted Cashion.

Discussed extensively was the question of who should be allowed to sponsor the Monday night street dances at the Lake Lure Community Center. President of the Lake Lure Community Club, Jim Proctor, stated that in the past the Lake Lure Community Club was the sponsor, arranging for the food, the bands, and appointing the organization that would actually conduct the dances. The revenue would then be divided between the sponsor (25%) and the appointed organization, (75%). David Toney, speaking for the E.M.S. stated that the E.M.S. was dependent on the revenues from the street dances for their successful operations because it was their main source of revenue. Mayor Hicks, speaking in favor of the Lake Lure Fire Department conducting the dances for this summer, stated that the E.M.S. was already a successfully functioning organization, and that the Lake Lure Fire Department needed a cohesive activity to strengthen its organization.

Motion was made by Commissioner Cashion, seconded by Commissioner Price, to have the Lake Lure Volunteer Fire Department sponsor the Monday Night Street Dances and receive 75% of the proceeds from the dances, and the Lake Lure Community Club to receive 25% of the proceeds, providing that the Community Club begins to function according to their established Charter (have regular meetings, elect officers, publish financial reports, etc). The motion was adopted by the following vote:

Ayes: Commissioners Cashion, Gruver, and Price

Noes: Commissioner Queen

There being no further business, upon motion by Commissioner Cashion, seconded by Commissioner Price, the meeting was adjourned.

Charles F. Hicks, Mayor
