Commissioner Lehner moved, seconded by Commissioner Karr, to appoint Bill Bush to represent the Lake Lure Town Council. Commissioner Donovan voted yes, and Commissioner Bush abstained. However, Commissioner Bush accepted the position.

The Lake Advisory Committee presented to Council the third draft of the proposed policy on structures on the lake. Council discussed calling for a public hearing dealing with the policy at the September regular Town Meeting and hold the public hearing at the October regular meeting.

Council recommended that the Co-Chairpersons present suggestions on the committee at the next work session.

Mr. Hord announced that the dredging equipment would soon be ready for on-site inspection and suggested that Paul Wilson, a member of the Lake Advisory Committee, and a member of the Town Council go on-site to inspect the two pieces of machinery when the time becomes appropriate.

Approximately \$7,000 was budgeted for 92-93. Mr. Washburn suggested that the lake be stocked in the fall.
