

Yard Waste

- The Sanitation Department picks up yard waste at curbside from May until November on your normal trash day.
- Residences are allowed two cans or two bundles of yard waste per dwelling.
- Cans must not be more than 33 gallons in size and not weigh more than 40 pounds each.
- Cans must be clearly marked "yard waste."
- Bundles must be tied, less than 4 feet in length and weigh less than 40 pounds.
