

Local Cable Access Policy

City of Norwalk, Ohio

General

- The City may accept, at its discretion, limited announcements for airing on Local Access Channel 15.
- The City shall be the sole determiner of the appropriateness of matter submitted for airing. The City reserves the right, in its sole discretion, to refuse to air any material or any content that is deemed offensive or inappropriate and to restrict and/or remove such content.
- The number of airings will be dependent upon the space available as determined by the City. Nothing in this Policy shall be deemed to create or establish in any person, company or firm a right of access or a right to place announcements on Local Access Channel 15.

Announcements

- Limit of one (1) page per submission.
- Must be submitted in PowerPoint format (version 2003 or later).
- Submission form must be included with slide.
- Must be submitted via electronic media to the Office of the Safety/Service Director. Files may be emailed to cityofnorwalk@accnorwalk.com.
- Must be submitted no fewer than five (5) days prior to airing.
- Aired in 20 second increments
- Payment must be made at the time of submission.
- Announcements will be aired for no more than two weeks and the number of airings will be dependent upon space available

Approved June 3, 2013
Mark Schloemer
Safety/Service Director
