NEWS RELEASE

Dogs Have Their Day at Papio Bay Aquatic Center

PAPILLION, Nebraska, September 10, 2015 – Papio Bay Aquatic Center is going to the dogs during an upcoming event.

Papio Bay’s Dog Day at the Bay is Sunday, Sept. 13 from 1 to 4 p.m. and invites dogs and their owners to join in a free day of swimming and fun. The event, now in its eighth year, includes treats, doggy bags and an array pup-friendly vendors.

“We know that dogs and their owners have a special bond, and Dog Day at the Bay is a unique opportunity for them to enjoy Papio Bay together,” said Amber Smith, manager of Papio Bay Aquatic Center. “This also is the last day of our season, so it is fun for us to go out with a splash.”

Dogs of all sizes are invited to participate in the event, and no registration is required. Small dogs will have access to Papio Bay’s baby pool area. All dogs using the park must have current tags and be under voice control. Aggressive dogs will not be permitted.

Papio Bay Aquatic Center is located at 815 E. Halleck Street in Papillion. For more information, visit PapioBay.org.
