Papillion Fire Department to Host Community Appreciation Breakfast

PAPILLION, Nebraska, September 28, 2015 – The Papillion Fire Department invites the Papillion and La Vista communities to its upcoming Community Appreciation Breakfast. The open house event is Sunday, Oct. 11, from 8 a.m. to 1 p.m. at PFD Fire Station 3, 146 N. Adams St. in downtown Papillion.

The community service organization, Papillion Volunteer Fire Department, Inc. (PVFD, Inc.) will provide a free pancake and sausage breakfast during the event. The event also will feature fire safety education, fire extinguisher and smoke alarm training and balloon animals, among other activities.

“As firefighters, this is a fun chance to get to know the people in the communities we serve and to thank them for their support of our department,” said Papillion Fire Chief Bill Bowes. “It also is a great opportunity to educate children and adults alike on the importance of fire safety and prevention.”
