## NEWS RELEASE

### **Road Closure: 108<sup>th</sup> Street South of High School to Receive Upgrades**

PAPILLION, Neb., August 31, 2015 – Upgrades to 108<sup>th</sup> Street will close a section of the road this fall south of Papillion-La Vista South High School.

In late September, 108th Street will be closed from where the pavement currently ends just north of Sumtur Amphitheater to Schram Road. The \$1.3 million project includes grading, paving, storm sewer and trail improvements. The tentative start date for the project, which will be handled by Charles Vrana and Son Construction Company, is Sept. 23.

“We want to give students, parents and area residents who regularly use this section of 108<sup>th</sup> Street as much notice as possible to plan alternate routes,” said Marty Leming, City of Papillion Public Works Director. “We ask that drivers use caution in the area as improvements take place.”

The project is expected to be fully completed in June 2016, but, subject to weather, could be completed and reopened during the winter months. For more information on 108<sup>th</sup> Street improvements, visit the [Public Works page](#) of [Papillion.org](#).
