\*\*\*\*Each company and/or person soliciting within the city limits must go through a screening process that includes a limited local criminal records check by the Papillion Police Department. The permit process should in no way be considered an endorsement of the product or people who will be going door-to-door. It is not uncommon for citizens to complain about the sales tactics of certain vendors who have actually been issued a city permit. If you believe the person at your door may not be in compliance with the city regulations, contact the Police Department at 402-339-3196.
