Special Designated Liquor Licenses (SDLL)

An informational brochure on the

SDLL process

in the City of Papillion

2012

IMPORTANT INFORMATION

A Special Designated Liquor License (SDLL) allows any retail liquor license holder to serve alcohol off their premises. This license also allows non-profit organizations to serve alcohol on their premises during an event.

The Nebraska Liquor Control Commission (NLCC) will grant a maximum of six (6) SDLLs per calendar year to each licensee.

SDLL applications can be obtained from the NLCC website or City Clerk.

Catering License: Retail liquor license holders can apply for a catering license. A catering license allows liquor license holders to apply for an unlimited amount of SDLLs and they are exempt from paying any SDLL application fees.

SDLL applicants that do not hold a valid retail or caterers liquor license and are hosting an event of more than 150 attendees must adhere to the guidelines set forth in Section 013-03 of the Nebraska Liquor Control Act. If the applicant wishes to waive any of the conditions listed under this section, they must submit a letter stating the reasons and justifications with their application.

Timeline: The NLCC requires all special designated permits to arrive at their office a minimum of 10 days prior to the scheduled event.

Non-profit organizations asking for any exemptions must have their application submitted to the NLCC 30 days before the event.

If any of these timelines are not met, the NLCC will automatically **DENY** the SDLL application.

Fees:

Application Fee : \$40.00/day payable to the State of Nebraska

Occupation Tax: \$60.00/day - payable to the City of Papillion

*This amount is set by City ordinance and the fee is one and one-half times the application fee

(Licensees holding a catering license are exempt from paying these fees.)
