CIRCULATION BASICS

Membership Requirements:

Requirements for full Library Membership:

- You must be a resident of Gila County or own property within Gila County
- Minors must have a parent or legal guardian with them at the time of application. Parents/Guardians are responsible for anything checked out by their children and for any fines their children may incur..

ADVISORY TO PARENTS/GUARDIANS :

A LIBRARY CARD AT THE PAYSON PUBLIC LIBRARY GRANTS THE BEARER THE ABILITY TO CHECK OUT ANY ITEM IN OUR CIRCULATING COLLECTION. THE SYSTEM DOES NOT BLOCK A MINOR FROM ACCESS TO MATERIALS FOR ADULTS.

- All applicants must have a valid government issued photo ID, if the photo ID provided does not list current physical residence, proof of current Gila County residence must also be provided (proof of residence may be a utility bill, rent receipt, check/deposit slip, etc.).
- If a P.O. Box is used as a mailing address, a location of physical residence is also necessary.

There is no fee for a library card. If however, the card is lost, a replacement fee of \$1.00 will be charged. Cardholding patrons may check out up to 30 items, but they are limited to 5 items by a single author or within a specific nonfiction subject range. Videos, DVDs, audio books, and music are limited to 5 items per type per patron. Only 2 "New" DVDs may be checked out at the same time.

Requirements for restricted membership:

If you are a junior high or high school student or a part time resident and unable to qualify for a full use library card, consider applying for a limited use card. These cards are temporary, expiring after 3 months and can be used for electronic resources or upon request for checkout of up to 5 print items from our circulating collection. Media cannot be checked out with a blue card.

FOR LIABILITY REASONS, YOU MUST HAVE EITHER YOUR GILA COUNTY LIBRARY CARD OR A PICTURE ID WITH YOU IN ORDER TO CHECK OUT ITEMS.

Reserve Books:

Books throughout the Gila County Library District may be reserved online, over the phone, or by request at the front desk. You will be notified as soon as the book is available. In the event that more than one patron wants the same book (i.e. best sellers), patrons will be called in the order that they requested the book. The book will be held for one week then the next person on the list will be called. Media and newly purchased books may only be held within their home library and cannot be sent to other libraries in the system.

After Hours Book Drop:

Items returned through the after hours book drop prior to the library's opening will be checked in as if they had been returned on the previous day.

Loan and Renewal Procedure

All books and other materials, with the exception of DVDs, are checked out for a 3 week period. DVDs are checked out for 1 week only. New DVDs can NOT be renewed. Other items may be renewed up to 2 times, by phone or in the library, provided they are not more than one week overdue and do not have waiting lists. All items checked out on your card are your responsibility until they are put back on our shelves and your record is cleared. Items more than one week overdue must be returned to the library for renewal. Reference books do not circulate. Magazines on the magazine rack may be checked out, except for the most current issue indicated by a NEW sticker on the front.

Because we are part of the Gila County Library District, patrons may use their Gila County Library card to check out items from any other library in our District.

Interlibrary Loan Procedure and Information

If you want a book that is not in our collection, you may request it from another library through interlibrary loan. Lending period is determined by the Library loaning the item. Request forms and assistance are available at the front desk. The overdue process is the same as in-house books, except that fines are \$1.00 per day for each day that the book is overdue. We will contact you by phone when the item arrives and will hold it for one week at the front desk. A processing fee of \$3.00 will be charged for all items that are not picked up in one week. Patrons are responsible for any damage to ILL materials they borrow and fees will be assessed by the lending library.

Material Selection and De-Selection:

The Payson Public Library takes great care in the maintenance of our circulating and reference collections. We select materials for the use and enjoyment of its patrons and de-select them as they become dated or unpopular. If you would like to suggest a book for purchase, please visit the front desk. The Library Director is responsible for the selection and purchase of new materials for the collection. Due to monetary and space constraints we are not able to purchase every title and will consider criteria such as popularity, whether the work is accurate and current (in the case of nonfiction), the importance of the work, aspects of diversity, and fit for the collection and our community. Donated items will be considered using the same criteria.

Donations to the Payson Public Library

The Payson Public Library welcomes monetary donations and the donation of the materials listed below, donation receipts for tax purposes are available upon request, valuation of the items is the responsibility of the donor. We accept:

- Books
- Magazine Subscriptions (please check with librarian first)
- Media including Audiobooks on CD and DVDs
- Puzzles (please, no missing pieces).
- Unopened Craft Supplies
- Gift certificates from local businesses to be used as reading incentive prizes for children

Most items donated to the library are NOT added to the circulating collection, items not selected for addition to the collection will be given to the Library Friends of Payson for sale in the library bookstore. Patrons who feel any item in the collection is objectionable and unsuitable for the library's collection must complete a "Request for Review" form available at any public service desk. The request will be reviewed by the Library Director, who will make the final decision on the matter and notify the requesting patron of the decision made. A "Request for Review" form may only be submitted if the patron has read or viewed the item in its entirety.

Overdue Policy:

- Overdue notices are sent when an item is seven days overdue.
