## GUARDIAN ANGEL

If you or someone you know lives alone, this device could save your life. The Guardian Angel, provided by the Town of Payson Police and Fire Departments free of charge, is installed through your existing telephone system. You wear a small pendant around your neck, which can even be worn in the bath or shower. If you fall, just push the button to activate the unit. It is programmed to call four numbers of people who know you. When they answer, they can push '0' and listen through a microphone inside the unit. If you need help, you just say help and they will hear you! If they don't hear anything, they will know you are hurt and will send help. Get this unit today by calling the Payson Police Department or the Payson Fire Department at 928-474-5242 ext. 429 or ext. 300.

**(Note: The Guardian Angel units now work with ANY phone service)**

**Remember, this is a FREE service.**

- Wireless Water-Resistant Call Pendant (wear it in the shower or bathtub.)
- Built-in programmable Voice Dialer (automatically dials a friend or neighbor for help).
- It calls a friend or neighbor (not a monitoring service) so there is **No Monthly Monitoring Fee.**
- A friend or neighbor can listen in to your home to determine the nature of the problem.
