

**THERE ARE MORE WAYS
TO RECYCLE IN PAYSON
THAN YOU MIGHT THINK**

The Town of Payson invites you to participate in recycling at the several recycling sites around town. Why recycle? It's good for the community, saves landfill space, and preserves our natural resources.

You can recycle paper, cardboard, and newspapers at six Payson drop-off sites; plastics and tin/metal cans can be dropped off at two locations. Take your used motor oil, car batteries, tires, and computers to the Gila County Landfill. The Humane Society collects aluminum cans all around town and used motor oil can be taken to an auto parts store (call first.)

Free Drop Off! Recycling Locations

AutoZone

Tips to Reduce Your Trash

- Compost kitchen waste and yard clip-
pings.
- Use durable coffee mugs, cloth nap-
kins or towels.
- Buy food in bulk to reduce packag-
ing.
- Donate old magazines or surplus
equipment.
- Reuse boxes and plastic bags.
- Turn empty jars into containers for
leftover food.
- In the office, use the duplex option on
your copier.
- Use the blank side of used office pa-
per for scratch paper.
