### **Annual and 1-month passes:**

- Every adult must show a valid license or picture I.D. to purchase a pass. If proper proof of Plymouth Township residency is not provided the non-resident rate will apply.
- For children to be included on the pass, they must be the natural, adopted, or foster children of at least one adult. Legal guardians may include children on their pass as well.
- A child that is “shared” between divorced, separated, or unmarried parents who lives part of the year with each parent is a part of either family.
- Youths must be at least 13 years of age to use the Fitness Center.
- When an adult and youth are on the same pass the adult must be the primary pass holder.
- All additional pass holders must follow the primary member’s pass type (for example, annual or 1-month).
