Re: Elimination of ESPN Classic

Dear Mayor Sack:

Altice USA, Inc. ("Altice" or the "Company") hereby notifies your office of the elimination of ESPN Classic from the Optimum channel lineup, effective October 6, 2017.

As part of Altice's renewal agreement with Disney executed in the early morning hours of October 5th, Altice no longer has the right to carry ESPN Classic, one of Disney's lesser watched sports channels. (The renewal agreement does provide for the continued carriage of ESPN and ESPN2, among other sports networks.) ESPN Classic was included with the Optimum Gold, Premier, Sports & Entertainment Pak and Grandfathered Gold Packages; Broadcast Basic Customers are not impacted by this change.

Customers will be notified¹ through bill message, on channel slates and through IVR messaging. In addition, Optimum's current programming lineups are available at www.Optimum.net.

If you have any questions please feel free to call me at 914-378-4533 or by email at dan.ahouse@alticeusa.com.

Sincerely,

A handwritten signature in black ink that reads "Dan Ahouse".

Dan Ahouse
Area Director, Government Affairs

¹ The customer notice advised subscribers who downgrade or disconnect their cable service as a result of the elimination of ESPN Classic of their right, within 30 days of the notice, to do so at no charge and to receive a refund of any pre-paid service charges, or connection, upgrade or other one-time charges they may have incurred in connection with their service during the six months prior to the change.
