

Kitchen Cabinet Replacement

Application for replacement of kitchen cabinets shall include the following:

1. Two (2) drawings showing kitchen cabinet layout (existing and new).
2. Indicate all existing and new receptacles, including dimensions.
3. Show dishwasher (if applicable).
4. Show electrical, mechanical (if applicable) and plumbing if the kitchen layout changes.
5. Building and Zoning Department Permit Application signed and notarized by owner of the property (if homeowner is applying for the permit).
6. Include linear footage and value of the work.
