

Dog Park

December 5, 2017

Dog Park

- Some residents have expressed the desire for a dog park in Shenandoah.
- City Council members want to get more resident feedback to see if there is interest in having a dog park.
- There is no location, design, plan or budget at this time.
- The level of resident interest will determine if a dog park is feasible for consideration in the future.

What is a Dog Park?

- Controlled area for dogs to play off the leash under the owner's supervision. Sometimes referred to as "dog runs."

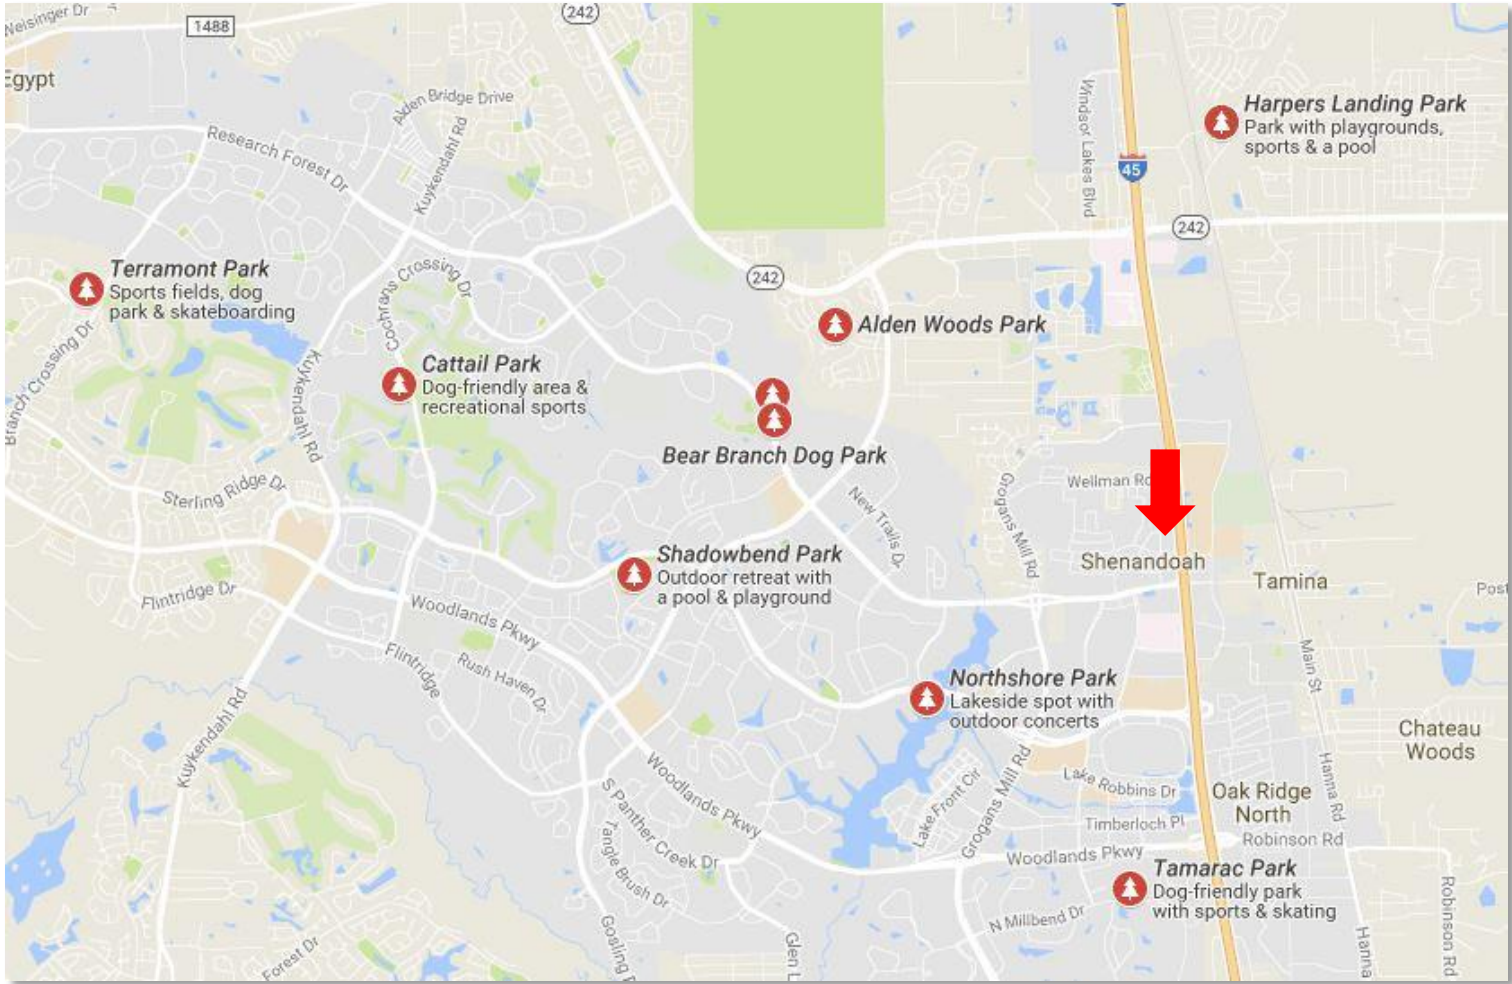

Types of Dog Parks

- Simple, open area enclosed with fencing to allow dogs to run freely off the leash. Terrain could be grass, gravel or dirt.
- Basic park with some added features, such as play structures for dogs and seating for owners.
- Elaborate parks with obstacle courses, play structures and water features for dogs, and seating areas and shade structures for owners.
