

Payments Made Prior to Arraignment

If you wish to enter a plea of No Contest or Guilty, you must sign the fine schedule given to you by the officer and/or the back of your citation and remit payment by money order or cashier's check. If you did not get the fine schedule, please contact the office for the amount owed. For more information, call Municipal Courts at (281) 419-9886.

Do not double the fine amount for any offense that occurs in a construction zone when workers are present. The fine schedule also includes your court costs.

If you cannot pay your fine in full, a payment plan may be set up at your request. This must be done in person at the office.

If you choose to pay by check, please note that the following is not accepted for payment: Out of town checks, Company checks, and Temporary Checks.

For further information, please call the Municipal Court at (281) 419-9886.
