

Dumpsters Not Enclosed

Sec. 14-72. Location; height.

All trash cans, bins, receptacles and/or dumpsters of any kind located in any zoning district, other than a single-family residential district, are considered unsightly and unsanitary, and shall be placed behind a fence constructed of wood or masonry, or any combination thereof. All fencing shall be at least six feet in height, but not more than eight feet in height.

(Ord. No. O-01025, § 1(14-2), 10-10-2001)
