SHENANDOAH PATROLS AND THE WOODLANDS TOWNSHIP ACTIVITIES

During the month of October 2016, Shenandoah officers conducted 252 residential patrols, 525 commercial patrols, and 96 dedicated AOR patrols; logging more than 1,477 patrol hours specific to the City of Shenandoah. Additionally, 338 patrols were performed within the extended service area; logging more than 353 hours of activity specific to The Woodlands Township, as demonstrated by the chart below:

PATROLS	TRAFFIC ENFORCEMENT	ASSISTS/ CALLS	TOTAL TIME

Four cases were assigned to Detective Sergeant Hulse for further investigative action and three cases were completed in the month of October to bring the total active case load to forty seven cases.

Latent fingerprint cards associated with four separate incidents from prior months were retrieved from the Montgomery County Sheriff's Office Crime Lab, with two of the incidents resulting in prints that were viable for comparison and entry into the national Automated Fingerprint Identification System (AFIS) for analysis. At this time, no match for either print has been found and the cases will be considered "Inactive" pending a confirming match. The remaining two cases will be considered "Closed" pending further investigative leads.

Latent fingerprint cards from a burglary of a motor vehicle recovered by the reporting Officer were submitted to the Montgomery County Sheriff's Office Crime Lab for examination. The case will be "Active" pending laboratory analysis from the lab.

Computer hard drive data was retrieved from a laptop seized during an Identity Theft investigation, but proved to be of no evidentiary value. The case will be considered "Closed" at this time pending further investigative leads.

A sixth case of forgery was assigned to Detective Sergeant Hulse in which a male attempted to cash a forged check from a local business at Prosperity Bank. As the bank has been targeted 5 times prior, the teller attempted to verify the checking information with the business owner at which time the suspect ran from the location. The teller was able to retain an identification card provided by the suspect, which appears to be fraudulent as well.

Two misdemeanor warrants were issued for two separate incidents involving employee thefts by fraudulent transactions at Home Depot.
