GENERAL CONDITIONS

Village of Skokie

1. **Submission of Proposal.** All bids must be delivered to the office of the Purchasing Agent at the Village by the specified opening time of the bid. Bids arriving after the specified time will not be accepted. Mailed bids, which are delivered after the specified hour will not be accepted regardless of post marked time on the envelope. All bids shall be submitted in sealed envelopes carrying the following information: bidder's name, address, subject matter of proposal and designated date and time of bid opening. Bids transmitted by facsimile shall not be accepted unless such transmission is specifically provided within the bid document. Sealed bids will be opened in public at the time and place shown herein. After the public bid opening, however, bid results will not be available until after award of the contract.
2. **Bid Deposit:** When required on the cover sheet, a bid deposit in the amount specified shall accompany all bids. Bid deposits shall be in the form of cash, a certified check or cashier's check drawn on a responsible bank doing business in the United States and shall be made payable to the Village of Skokie. All bids not accompanied by a bid deposit, when required, will be rejected. No bid bonds will be accepted unless otherwise indicated in the specification. Bid deposits of the two lowest bidders will be returned after the contract is awarded. Bid deposits of all others will be returned immediately. The bid deposit of the accepted bidder will be returned upon receipt by the Village of satisfactory performance bond where such bond is required or completion of contract.
3. **Performance Bond:** When required by the specifications herein, the successful bidder shall furnish a performance bond, acceptable to the Village, within fourteen (14) calendar days after notification of contract award. Failure to furnish the required bond within the time specified may be cause for rejection of the bid and any bid deposit may be retained by the Village as liquidated damages and not as a penalty. IT BEING NOW AGREED that said sum is a fair estimate of the amount of damages the Village will sustain due to the bidder's failure to furnish said bond.
4. **Withdrawal of Proposal.** Bidders may withdraw or cancel their proposals at any time prior to the advertised bid opening time. After the bid opening time, no bid shall be withdrawn or cancelled for a period of sixty (60) calendar days. When this contract must be approved by another agency, no bid shall be withdrawn or cancelled for a period of ninety (90) days after the bid opening time.
5. **Preparation of Proposal.** The bidder shall prepare proposal on the attached proposal forms. Unless otherwise stated, all blank spaces on the proposal page or pages, applicable to the subject specification, must be correctly filled in. Either a unit price or a lump sum price, as the case may be, must be stated for each and every item, either typed in or written in ink. If bidder is a corporation, the President and Secretary shall execute the bid and the corporate seal shall be affixed. In the event that this bid is executed by other than the President, attach hereto a certified copy of that section of corporate by-laws or other authorization by the Corporation, which permits the person to execute the offer for the Corporation. If bidder is a partnership, all partners shall execute the bid, unless one partner has been authorized to sign for the partnership, in which case, evidence of such authority satisfactory to the Purchasing Agent shall be submitted.
6. **Compliance with Laws:** The bidder shall at all times observe and comply with all laws, ordinances and regulations of the federal, state, local and Village governments, which may in any manner affect the contract. Any contract resultant from this solicitation shall be governed under the laws of the State of Illinois.
7. **Interpretation of Contract Documents:** Any bidder in doubt as to the true meaning of any part of the specifications or other contract documents, may submit to the Purchasing Agent a written request for an interpretation thereof. The person submitting the request will be responsible for its prompt delivery. Such interpretation will be made only by an addendum duly issued by the Purchasing Agent. A copy of such addendum will be mailed to all prospective bidders. Failure on the part of the prospective bidder to receive a written interpretation prior to the time of the opening of bids will not be grounds for withdrawal of the proposal. Bidder will acknowledge receipt of each addendum issued. Oral explanations will not be binding. Any reference in these specifications to manufacturer's name, trade name, or catalog number (unless otherwise specified) is intended only to indicate articles that will be satisfactory, and shall is not intended to restrict competition. Bids on other makes and catalog numbers will be considered, provided each bidder clearly states exactly what is proposed to be furnished. Unless so stated on proposal, it shall be understood that bidder intends to furnish item identified and does not propose to furnish an "equal". The Purchasing Agent hereby reserves the right to approve as an "equal", or to reject as not being an "equal", any article the bidder proposes to furnish which contains major or minor variations from specification requirements by which may comply substantially therewith.
8. **Conditions:** Bidders are advised to become familiar with all terms, conditions, instructions and specifications governing this bid. Once the award has been made, failure to have read all the conditions, instructions and specifications of this contract shall not be cause to alter the original contract or to request additional compensation.
9. **Catalogs:** Each bidder shall submit, where necessary, or when requested by the Purchasing Agent, catalogs, descriptive literature, and detailed drawings, fully detailing features, designs, construction, appointments, finishes and the like not covered in the specifications, necessary to fully describe the material or work proposed to be furnished. Failure to provide such information as required may result in bid disqualification.

10. **Consideration of Proposals:** The Purchasing Agent shall represent and act for the Village in all matters pertaining to this proposal and contract in conjunction therewith. The Village reserves the right to reject any or all proposals and to disregard any informality on the bids and bidding, when in its opinion the best interest of the Village will be served by such action. No proposal will be accepted from or contract awarded to any person, firm or corporation that is in arrears or is in default to the Village of Skokie upon any debt or contract, or that is a defaulter, as surety or otherwise, upon any obligation to said Village, or had failed to perform faithfully any previous contract with the Village. The bidder, if requested, must present within 48 hours, evidence satisfactory to the Purchasing Agent of performance ability and possession of necessary facilities, pecuniary resources and adequate insurance to comply with the terms of these specifications and contract documents.

11. **Discounts:** Bidders shall provide prompt payment discounts in the area shown herein. When cash discounts are offered, the discount date shall begin with the invoice date or delivery date to the Village, whichever is later. Prompt payment discounts shall not be a consideration in the award of a contract.

12. **Guarantees and Warranties:** All guarantees and warranties required shall be furnished by the Contractor and shall be delivered to the Purchasing Agent before final voucher on the contract is issued. The warranty period shall commence upon final acceptance of product.

13. **Delivery:** All materials shipped to the Village of Skokie must be shipped F.O.B. delivered, designated location, Skokie, Illinois. If delivery is made by truck, arrangements must be made in advance by the Contractor in order that the Village may arrange for receipt of the materials. The materials must then be delivered where directed. Truck deliveries will be accepted before 4:30 P.M. on weekdays only. No deliveries will be accepted on Saturdays, Sundays or Holidays.

14. **Inspections:** The Village shall have the right to inspect any materials, components, equipment, supplies, services, or completed work specified herein. Any of said items not complying with these specifications are subject to rejection at the option of the Village. Any items rejected shall be removed from the premises of the Village and/or replaced at the entire expense of the successful bidder.

15. **Taxes:** Federal Excise Tax does not apply to materials purchased by the Village of Skokie, Illinois Retailer's Occupation Tax, Use Tax, and Municipal Retailer's Occupation Tax do not apply to materials or services purchased by the Village of Skokie by virtue of Statute.

16. **Patents:** Bidders agree to indemnify, defend and save harmless the Village of Skokie from and against all demands, claims, suits, cost, expenses, damages and adjustments based on any infringement of any patent relating to goods specified in this contract.

17. **Hold Harmless and Indemnification:** To the fullest extent permitted by law, Contractor agrees to indemnify, save harmless and defend the Village of Skokie, its agents, servants, and employees, and each of them against and hold it and them harmless from any and all lawsuits, claims, demands, liabilities, losses or expenses, including court costs and attorneys' fees, for or on account of any injury to any person, or any death at any time resulting from such injury, or any damage to any property, which may arise or which may be alleged to have arisen, in whole or in part, out of or in connection with the work covered by this contract. The foregoing indemnity shall apply except if such injury, death or damage is caused directly and solely by the negligence or other fault of the Village of Skokie, its agents, servants, or employees or any other person indemnified hereunder. This indemnification obligation is not limited by, but is in addition to the insurance obligations, which may be contained in this contract. The provisions of this paragraph shall *not* be waived.

18. **Termination of Contract:** The Village reserves the right to terminate the whole or any part of this contract, upon written notice to the Contractor, in the event that sufficient funds to complete the contract are not appropriated by the Skokie Board of Trustees. The Village further reserves the right to terminate the whole or any part of this contract, upon written notice to the Contractor, in the event of default by the Contractor. Default is defined as failure of the Contractor to perform any of the provisions of this contract or failure to make sufficient progress so as to endanger performance of this contract in accordance with its terms. In the event of default and termination, the Village may procure, upon such terms and in such manner, as the Purchasing Agent may deem appropriate, supplies or services similar to those so terminated. The Contractor shall be liable for any excess costs for such similar supplies or service unless acceptable evidence is submitted to the Purchasing Agent that failure to perform the contract was due to causes beyond the control and without the fault or negligence of the Contractor.

19. **Regulatory Compliance:** Seller represents and warrants that the goods and services furnished hereunder (including all labels, packages and container for said goods) comply with all applicable standards, rules and regulations as applicable including the Occupational Safety and Health Act as amended with respect to design, construction, manufacture or use for their intended purpose of said goods or services. Seller shall furnish "Material Safety Data Sheets" in compliance with the Illinois Toxic Substances Disclosure Act, and shall otherwise comply with the requirements of said act for materials and supplies covered by the act.

20. **Special Handling:** Prior to delivery of any material which is caustic, corrosive, flammable or dangerous to handle, the supplier will provide written directions as to methods of handling such products, as well as the antidote or neutralizing material required for its first aid before delivery.

21. **Prevailing Wage:** When specified herein, not less than the Prevailing Rate of Wages as found by the Village of Skokie or the Department of Labor or determined by the court on review shall be paid to a laborer, workman and mechanics performing work under this contract. Prevailing Wage Information may be obtained on the Internet by accessing The Illinois Department of Labor web-site at <http://www.state.il.us/agency/idol/CM/ODDMO/COOKxxxx.htm>.

STANDARD VEHICLE PROVISIONS

The following Standard Vehicle Provisions shall apply to all purchases made herein.

- 1.0 All Vehicles must be of the manufacturer's current models in production at the time of delivery.
- 2.0 Warranty:
Manufacturer's standard warranty must be furnished with each new vehicle. Vehicle warranty shall be equal to or exceed that offered to the general public on similar regular production models. The manufacturer's warranty shall become effective on the day that the new vehicle is actually put into service by the Village. Vehicles shall be new (unused), current models, completely prepared by dealer for delivery in accordance with manufacturer's specifications. It shall be the responsibility of the contractor (firm to which contract is awarded by the Village Board of Trustees) to furnish the warranty card imprinted with the name of the "Village of Skokie". It will be the further responsibility of the contractor to insure that the Automotive Superintendent is kept apprised of all information concerning warranty, service manuals, service bulletins, recall notices, and service schooling available.
- 3.0 Equipment:
Unless stated to the contrary in the invitation for bid, all vehicles *must* be in compliance with the following criteria:
 - 3.1 Specifications: Unless specifically permitted in the body of the invitation for bid, all vehicles must be equipped with all the manufacturer's equipment advertised as standard consumer equipment. Any deletions or exceptions to this requirement shall be detailed by the bidder within the bid. All standard equipment so required, and all optional equipment specified in the invitation for bid shall be as advertised by the manufacturer and shall not consist of substitute or "after market" equipment. All vehicles must be compliant with all applicable federal motor vehicle safety standards and governmental emission requirements in effect at time of purchase.
 - 3.2 Color: Interior and exterior color as stated in detailed item description. If no selection is stated herein, the Village shall select from the manufacturer's standard colors.
 - 3.3 Fuel: All vehicles delivered must include a minimum of one-quarter (1/4) tank of fuel as registered by the vehicle fuel gauge at time of delivery.
 - 3.4 Anti-freeze: To be permanent type, protection to -20 deg. f. Radiator to be so noted in a semi-permanent manner (tagged).
 - 3.5 Mirrors:
 - 3.5.1 Interior: To be day/night selector type (not required on vehicles without rear window or glass area).
 - 3.5.2 Exterior: On all automobiles, shall include left hand remote control and right hand manual (unless otherwise specified within the body of the specifications).
 - 3.6 Tires and Wheels: To be equipped with original equipment, tires of the size and load range required by the manufacturer for the model and/or gross vehicle weight rating (GVWR). Spare tire, wheel and carrier (hold-down) to be original equipment type and to be included on all automobiles.
 - 3.7 Accessory Equipment: All vehicles are to include wheel wrench and lifting device (Jack-mechanical or hydraulic) capable of lifting any wheel under the maximum rated load.

4.0 Requirements Prior to Delivery:

- 4.1 Contractor must contact the Automotive Superintendent at (847) 933-8275 to make arrangements for delivery of vehicles. Preliminary arrangements are to be completed within ten (10) days after receipt of notice of award by contractor.
- 4.2 Contractor's pre-delivery services must be performed in accordance with manufacturer's procedures and shall include thorough cleaning, vacuuming, and washing of vehicle(s).

5.0 Requirements at Time of Delivery:

The following must be complied with by contractor:

- 5.1 A Certificate of Origin, showing the owner as Village of Skokie, 5127 Oakton St. Skokie IL, a standard service policy filled-out and signed by the authorized franchise dealer, and a contractor's invoice must be furnished at time of delivery.
- 5.2 Delivery shall be made during regular working hours, Monday through Friday, as arranged with the Automotive Superintendent, between the hours of 7:00 a.m., and 3:00 p.m. All vehicles shall be delivered to the Village of Skokie, Department of Public Works, Municipal Garage, 9050 Gross Point Road, Skokie, Illinois, 60077. Contractor must contact the Automotive Superintendent at (847) 933-8276 a minimum of 24 hours prior to delivery of any vehicle.
- 5.3 A delivery tag, in duplicate, must accompany each vehicle. The tag is to show the following information:
 - 5.3.1 Purchasing Department.
 - 5.3.2 Purchase Order/Contract Number.
 - 5.3.3 Requisition/Line Item Number.
 - 5.3.4 Serial Number of Vehicle.
 - 5.3.5 Equipment number of trade-in (if applicable).
 - 5.3.6 Signature block for receiving individual.
 - 5.3.7 Key coding number to be provided with each vehicle.
 - 5.3.8 State of Illinois tax form RR-556, as revised.
 - 5.3.9 Mileage certification form.

6.0 Notice to Contractors:

Adherence to all of the aforementioned procedures is mandatory. Failure to abide by any of the provisions will result in rejection of the subject vehicle until such time as the provisions are met. In order to prevent any delays in the acceptance of the new vehicles, and to assure payment as soon as possible, contractors are reminded to comply with all provisions.

SPECIAL CONDITIONS

- 1.0 Scope:
The scope of this contract is to establish a source to provide the vehicular unit and accessories as specified herein, for the Village of Skokie Department of Public Works.
- 2.0 Award Reservations:
The Village shall award the contract herein on an all-or-none basis to the bidder providing the lowest responsive and responsible bid response less the value of equipment offered for trade-in.
- 3.0 Compliance with Specifications/Retention for Errors and Omissions:
All items shall be delivered in exact compliance with specifications and with all standard pre-delivery service properly completed. Failure to comply shall be considered grounds for the Village to seek remedy for the deficiency, including withholding of payment, or retention of a percentage of payment for errors or omissions on the part of the contractor, of up to ten percent (10%) of the value of the vehicle(s).
- 4.0 Pick-up & Delivery:
All units to be delivered F.O.B. Destination, to the Village of Skokie, at the following address:
- Municipal Garage
9050 Gross Point Road
Skokie, IL 60077
- 5.0 Inquiries:
All contractual inquiries shall be directed to the Purchasing Agent at the telephone number shown below. Technical inquiries may be directed to Mr. Frank Malczewski, Automotive Superintendent, Department of Public Works, via the Purchasing Agent.
- Purchasing Department: (847) 933-8240
Public Works: (847) 933-8276
- 6.0 Exceptions to Specification/ Specification Questionnaire:
- 6.1 A specification questionnaire regarding elements of the specifications has been included herein. When provided, please respond to each question shown, and return that portion of the document along with your bid. Failure to provide this information may result in bid disqualification.

Additionally, Please list any and all exceptions taken to this specification in the area provided below. The determination as to the acceptability of any alternative methodologies utilized to accomplish the required task shall be made solely at the discretion of the Village of Skokie. Attach additional sheets if required. Failure to provide this information may result in disqualification of your bid.

 No exception to specification ✓ Exceptions as noted

SEE ATTACHED PAGE OF EXCEPTIONS

6.2 The Village of Skokie reserves the right to waive minor deficiencies, informalities or technical variances, which by their nature are restrictive to a specific manufacturer, if in its judgement, it would be in the best interest of the Village of Skokie to do so, and it would not prejudice the rights of other bidders.

6.3 The determination of whether-or-not a substitute offered is in fact equal to the item specified and/or acceptable as an alternate shall be made at the absolute discretion of the Village of Skokie.

7.0 **Specifications and Catalog Literature:**
Submit specifications and catalog literature along with the bid for each item. Failure to do so may result in disqualification of your bid.

8.0 **Trade-ins:**
In certain instances, the Village is making available, trade-in units. Bidders shall contact the Automotive Superintendent at the number shown herein in order to obtain information on trade-in units, or to view units made available for trade-in.

9.0 **Pricing:**
Please provide pricing for each item shown herein. Pricing should reflect delivery, and the cost of all work to be completed on the units. The Village shall not tolerate additions to pricing after the issuance of a contract award.

10.0 **Warranty:**
10.1 Seller warrants that all goods and services furnished hereunder will conform in all respects to the terms of this solicitation, including any drawings, specifications or standards incorporated herein, and that they will be free from latent and patent defects in materials, workmanship and title, and will be free from such defects in design. In addition, Seller warrants that said goods and services are suitable for, and will perform in accordance with, the purposes for

McCann Industries Inc.

which they are purchased, fabricated, manufactured and designed or for such other purposes as are expressly specified in this solicitation. The Village may return any nonconforming or defective items to the Seller or require correction or replacement of the item at the time the defect is discovered, all at the Seller's risk and expense. Acceptance shall not relieve the Seller of its responsibility.

- 10.2 Bidder shall provide detailed information concerning warranties of commercially acceptable quality, function, performance, service, parts or any other warranties offered along with bid. Bidder may utilize spaces provided below to detail type of warranties, duration of warranties and other pertinent information. Submit and refer to additional sheets as required.

ENGINE WARRANTY: 2 YEARS OR 2000 HOURS

POWERTRAIN WARRANTY: 12 MONTHS UNLIMITED HOURS,

11.0 Payments:

11.1 The Village reserves the right to make partial payments for work completed, or pay the Contractor at the completion of the project, whichever occurs first. Arrangements for partial payment must be approved in advance by the Purchasing Agent, and shall provide for inspection of the work completed by the Village prior to approval of such payments. No payment shall be made for work not inspected by the Village.

11.2 The Village shall retain 10% of each payment made during the course of the project. Payment of retainage shall be made to the Contractor contingent on successful completion of the work, and subsequent acceptance of the work by the Village.

11.3 Payments shall be governed by the Illinois "Local Government Prompt Payment Act" (50 ILCS 505/1).

12.0 Bidders & Equipment Qualifications:

All bidders must be qualified distributors and demonstrate the capacity to provide, or have provided, the equipment specified herein.

13.0 Additional Information:

Should the bidder require additional information about this bid, please email to michael.aleksic@skokie.org no later than seven (7) days prior to the bid opening date. Questions may also be faxed to the Purchasing Division at 847-568-8839. Any and all changes to these specifications are valid only if they are included by written Addendum to All Bidders. No interpretation of the meaning of the plans, specifications or other contract documents will be made orally. Failure of any bidder to receive any such addendum or interpretation shall not relieve the bidder from obligation under this bid as submitted. All addenda so issued shall become part of the bid documents. Failure to request an interpretation constitutes a waiver to later

claim that ambiguities or misunderstandings cause a bidder to improperly submit a bid.

14.0 References:

In order to allow the Village an opportunity to evaluate the experience of your firm as it relates to this project, please complete the enclosed "References" form. Provide references of organizations who have utilized similar services. A minimum of three (3) references are requested; however a bidder may list more than three. Failure to include references may result in bid disqualification.

All furnished equipment, materials and workmanship shall be of the highest grade in accordance with modern industry practice. The equipment supplied shall be new and unused except for the necessary testing, calibration and transportation.

3.0 Parts and Service

- 3.1 To best service the requirements of the purchaser, it is the intent of these Specifications to secure equipment and services, which can be properly maintained and serviced without the necessity of stocking and expensive parts inventory or being subjected to long periods of interrupted service and due to lack of spare parts.

Indicate location of the manufacturers primary parts depot in the Chicago area. 250 E. FRONTAGE Rd. BOLINGBROOK IL 60440

- 3.2 All suppliers submitting proposals must have available a complete factory parts and service center with full electronic diagnostic and mechanical rebuild/repair equipment. The center shall be staffed with full time mechanical technicians. All suppliers should also have available spare parts ordering and shipping personnel during regular business hours.
- 3.3 The factory center must have toll free telephone service and be convenient to air freight, bus or overnight parcel service. The supplier shall list the nearest factory parts and service location, plus any other pertinent information requested. The buyer may exercise the right to inspect each bidder's facilities to determine his qualifications to provide parts and service on an acceptable basis.

3.4 Name of Service Center MCCANN INDUSTRIES INC.
Address 250 E. FRONTAGE ROAD
City, State BOLINGBROOK IL. 60440
Phone 630-739-7770

4.0 Equipment Loaner Policy

The supplier shall maintain loaner equipment at the service center. The buyer may request that a loaner unit be made available while the equipment is being returned for repair. The supplier shall indicate whether a rental charge will be assessed for such equipment and service both during and after warranty period.

5.0 Testing and Training

All bidders must make available a demonstrator unit of the brand and model of unit bid for evaluation by Village of Skokie staff if requested by the Village

The supplier of the wheel loader shall provide one half (1/2) day of job site operator training to departmental staff at the time of delivery, and at least one (1) follow-up service call to outline mechanical maintenance instructions for the technical staff. These calls must be made by a factory qualified training and service person who is equipped with the technical equipment and experience necessary to service equipment.

6.0 Service Manuals

The supplier of the UNIT shall provide two (2) complete sets of Repair and Service Manuals for the wheel loader, loader buckets, and hitch assembly and all unit attachments.

7.0 Parts Manuals

The supplier of the UNIT shall provide two (2) complete Parts Manuals for the wheel loader, loader buckets, hitch assemblies and all unit attachments, as well as the current production part numbers to match the supplied units.

8.0 Manufacturer and Model No.

The following specifications must be considered minimum requirements and any exceptions must be noted.

Indicate manufacturer and model number of wheel loader, hitch assemblies and loader attachments quoted:

CASE 621E, WITH ACS PRO 2000 HYDRAULIC COOPER
ACS 3.0 yd. BUCKET, ACS 2.5 yd. 4 in 1 BUCKET.

DIAGNOSTICS

YES / NO

Unit must have On Board Diagnostics for all systems. Information diagnostics and retrieval shall be without the use of external computer equipment.

YES

UNIT WEIGHT

Indicate total weight of wheel loader 28,456 LBS

ISO 9001 Certification for Manufacturer must be included with the bid document.

YES

9.0 General Capacity

9.1 The wheel loader shall be regular production model for which published specifications are available with a 3.0 cubic yard bucket.

YES

9.1a Maximum Allowable Width 101"

YES

9.1b Painting: Unit shall be painted **before** component assembly. All paint shall be formulated to meet and pass ASTM-B117 rust protection test and corrosion resistance. Bidder must submit detailed manufacturers painting procedures with bid document. **Paint composition is to be included with the bid document.** Color to be standard manufacturers color on all painted surfaces.

YES

Indicate standard color POWER TAN

Bidder is to indicate on the bid form the additional cost to paint the wheel loader School Bus Yellow if desired by the Village.

YES

9.2 Machine modifications to meet the operational requirements of this specifications shall be limited to the manufacturers published standard and optional equipment.

YES

9.3 All operating specifications are based on current SAE standards and shall be the basis for determining compliance with specified requirements.

YES

YES / NO

9.4 The wheel loader shall have a SAE Gross horse-Power rating of a minimum of 134 net h.p. Also the Engine will be North American E.P.A. Carb certified for off road diesel engine regulations and EPA Tier III emissions regulations.

YES

9.5 The wheel loader shall have a minimum operating weight of 27,489 pounds with minimal additional counterweight. **Specify amount of counter weight**
850 LBS

YES

9.6 The wheel loader shall meet all OSHA and EPA requirements in effect on the date of bid and shall be furnished with ROPS. .

YES

10.0 Engine/Hydraulics

The wheel loader shall have a 6-cylinder diesel engine(6.8L) with a minimum 156 horse-power @ 1900 RPM. The engine shall provide a minimum SAE net torque rating of 480 ft. lbs at 1400 rpm.

YES

Engine / Hydraulic minimum requirements:

YES / NO

10.1 wet sleeve design

NO

10.2 a "mid stop" sleeve design

NO

10.3 an internal oil cooler

NO

10.4 an internal water pump

YES

10.5 a dual stage air cleaner, Pre-cleaner and reversing fan drive. Auto control and manual override.

YES

10.6 a 24 volt negative ground electrical system

YES

10.7 a minimum 80 amp. Alternator and Battery Rating of 950 CCA

- | | |
|---|------------|
| minimum. | <u>NO</u> |
| 10.8 a single serpentine belt for fan and alternator | <u>YES</u> |
| 10.9 an automatic self adjusting belt tensioner | <u>YES</u> |
| 10.10 vertical spin-on engine oil filter | <u>YES</u> |
| 10.11 250 hour engine oil change interval | <u>YES</u> |
| 10.12 hydraulic pump, variable displacement, capacity: 50 G.P.M. @ 2350 rpm @ 1000 psi minimum | <u>NO</u> |
| 10.13 system relief pressure 3650 psi | <u>NO</u> |
| 10.14 hydraulic filters (2) 10.9 micron-full flow, spin on replaceable, on return line w/ condition indicator light for filters | <u>YES</u> |
| 10.15 lift cylinder 4.7" diameter-29.7" stroke 2.48" rod dia. minimum | <u>YES</u> |
| 10.16 dump cylinder 4.9" diameter- 24.2" stroke 2.95" rod dia. minimum | <u>YES</u> |
| 10.17 steering articulation (2) 2.4" diameter -20.2" stroke, 1.5" rod minimum | <u>YES</u> |
| 10.18 steering pump 50 GPM @ 2350 RPM @1000 psi steering relief pressure 3650 P.S.I. | <u>NO</u> |
| 10.19 Loader control valve: open center, sectional 4spool with pilot control for lift, tilt, and auxiliary hydraulics, electromagnetic detents in float, raise, and rollback. Hydraulic control system for quick coupler locking pins. | <u>YES</u> |

11.0 Transmission

The wheel loader power train shall consist of a torque converter drive with a full powershift transmission. Unit must have a programmable transmission for shift sequence and maximum gear

Transmission minimum requirements:

YES / NO

- | | | |
|-------|--|-----------------------------|
| 11.1 | 4- speeds in forward | <u>YES</u> |
| 11.2 | 3 speeds in reverse | <u>YES</u> |
| 11.3 | Minimum travel speed of 23 mph. With standard tires | <u>YES</u> |
| 11.4 | Electronic forward/reverse shuttle shift | <u>YES</u> |
| 11.5 | Countershaft design | <u>YES</u> |
| 11.6 | Clutch disconnect feature through both brake pedals | <u>YES</u> |
| 11.7 | Downshift from 2 nd to 1 st gear | <u>YES</u> |
| 11.8 | Downshift control button located on the top loader control lever or levers | <u>YES</u> |
| 11.9 | Downshift from 4 th to 1 st in auto shift mode | <u>YES</u> |
| 11.10 | programmable to shift no higher than 2 nd or 3 rd gear | <u>YES</u> |
| 11.11 | programmable to start out in 1 st or 2 nd gear in the autoshift mode | <u>YES</u> |
| 12.0 | Axles | |
| | The wheel loader axles shall be of a heavy design: | |
| | The axles shall provide: | |
| 12.1 | Conventional, dual locking differentials front and rear. | <u>NO</u> |
| 12.2 | Final Drives : Bidder to indicate inboard or outboard planetary | <u>OUTBOARD PLANETARIES</u> |
| 12.3 | Total rear axle oscillation of 24 degrees | <u>YES</u> |
| 13.0 | Brakes | |
| | The wheel loader brakes shall be fully hydraulic. | YES / NO |
| | The brakes system shall provide: | |
| 13.1 | a separate system for the front and rear | <u>YES</u> |

- | | | |
|------|---|------------|
| 13.2 | brakes shall be oil cooled, self-adjusting and have brake surface area of 355 sq. in. per hub. | <u>YES</u> |
| 13.3 | brakes operated by one of two brake pedals | <u>YES</u> |
| 13.4 | parking brake will be a multi disk located on the transmission output shaft | <u>YES</u> |
| 13.5 | parking brake is spring applied, and hydraulically released which disconnects transmission to prevent drive-through | <u>YES</u> |
| 13.6 | an electric switch to engage and release the parking brake | <u>YES</u> |
| 13.7 | a parking brake that will apply with loss of electrical power | <u>YES</u> |
| 14.0 | Tires | |
| | The unit shall be delivered with 20.5R x 25 L2 tires | YES / NO |
| 14.1 | One spare wheel and tire of the same size and design shall also be provided. | <u>YES</u> |
| 14.2 | Unit shall have wide rear fenders with railings and front fenders. Full coverage front and rear. | <u>YES</u> |
| 15.0 | Loader and Linkage Features | |
| | The wheel loader arms shall be heavy duty Z bar design. | |
| | The loader arms shall have: | |
| 15.1 | a Z-bar design for greater operator visibility | <u>YES</u> |
| 15.2 | single bucket cylinder | <u>YES</u> |
| | | YES / NO |
| 15.3 | dual parallel lift cylinders | <u>YES</u> |
| 15.4 | factory installed ride control cushioning system | <u>YES</u> |
| 15.5 | ACS hitch Pro 2000 | <u>YES</u> |

- 15.6 provide a loader boom locking bar for servicing YES
- 15.7 bucket level indicator YES
- 15.8 Return to dig, return to travel automatic height control YES

16.0 Loader Buckets

The wheel loader shall be delivered with 2 loader buckets. One to be a standard 3.0 cubic yard bucket, the 2nd bucket to be a 2.5 yd. 4 in 1 bucket. Buckets MUST not exceed a maximum of 101" in width.

YES

The buckets shall have:

- 16.1 a pre-drilled edge for bolt-on-cutting edge YES
- 16.2 A pre-drilled edge for bolt-on teeth YES
- 16.3 a pre-drilled edge for bolt-on teeth and individual segments YES
- 16.4 Female couplers on both buckets for connection with ACS Pro 2000 YES
- 16.5 A spare cutting edge shall be supplied for each bucket. YES

17.0 Performance

The wheel loader shall be fully serviced unit that includes all standard equipment, ROPS , FOPS, and a full fuel tank. The unit will weigh a minimum of 27700 pounds.

YES/NO

YES

The wheel loader shall have the following minimum/maximum Requirements:

YES/NO

- 17.1 minimum SAE breakout force of 19039 pounds force YES
- 17.2 minimum SAE straight tipping load of 20013 pounds YES

- 17.3 minimum SAE full turn 40 degree tipping load of 16838 pounds YES
- 17.4 minimum SAE operating load of 8900 pounds YES
- 17.5 minimum SAE dump clearance at full height and 45 degree dump angle of 103.6 inches YES
- 17.6 minimum SAE dump reach at full height and 45 degree dump angle of 40.3 inches YES
- 17.7 minimum hinge pin height 151 inches NO
- 17.8 maximum dig depth below ground 5.5 inches YES

CYCLE TIME: Bidder to indicate the cycle time for the following:

- 17.9 maximum loader lowering time (empty, power down) 4.7 SECONDS
- 17.10 maximum loader lowering time (float down) 4.6 SECONDS
- 17.11 maximum bucket dumping time (with rated bucket load) 6.3 SECONDS
- 17.12 maximum bucket raising time to full height (with rated bucket load) 6.3 SECONDS

Tractor dimensions shall be:

- 17.13 Minimum wheel base 114 inches YES
- 17.14 maximum overall transport length 298 inches YES
- 17.15 maxi height to top of cab 10ft 7.6 inches NO
- 17.16 minimum 40 degree articulation YES
- 17.17 maximum width 102" YES

18.0 Operator Environment:

The wheel loader cab shall be equipped with:

- 18.1 360-degree visibility. YES
- 18.2 floor mounted brake and accelerator pedals YES
- 18.3 the transmission shift lever within easy reach of the operator YES
- 18.4 all glass surfaces, anti glare glass, window sun strip and cab sun visors YES
- 18.5 side windows that open and secure to the rear of the cab YES
- 18.7 front and rear intermittent wipers with front and rear windshield washer NO
- 18.8 interior dome light, YES
- 18.9 interior / exterior rear view mirrors YES
- 18.10 3 inch retractable seat belt YES
- 18.11 air suspension seat YES
- 18.11a a single servo loader control with top mounted kick down button YES
- 18.12 a forward/reverse power shuttle lever mounted on the steering column YES
- 18.13 the parking brake switch or lever to be located within easy reach of the operator YES
- 18.14 an operator warning system that alerts the operator with an audible alarm when the parking brake is applied and the operator engages the forward/reverse lever YES
- 18.15 instrumentation and warning alarms mounted to front of the operator YES
- 18.16 Blank:
- 18.17 button or switch to control activation of return-to-dig YES
- 18.18 button or switch to control activation of float control YES

- 18.19 button or switch to control activation of return-to-travel YES
- 18.20 button or switch to control activation of ride control the ride control is to deactivate when dumping the bucket, and reactivate when bringing the bucket back to a return-to-dig position NO
- 18.21 the interior of the cab shall be standard production color indicate standard interior color: GREY YES
- 18.22 the cab interior is to be supplied with a 12/24 Buss Style Converter. Supply wiring assembly, negative ground to be controlled by the ignition switch. 10 amp / 12 volt converter w/ two power plugs. YES
- 18.23 the converter must have capacity to operate the am/fm radio, mobile radio and a rotating beacon or strobe light assembly and have at least one spare circuit YES
- 18.24 provide on/off switch in cab for dome beacon YES
- 18.25 provide target tech/federal 12v – amber light #450112 with guard YES
- 18.26 the cab shall have a cab A/C, heater / defroster with filtered air supply, 3 speed fans, two(2) auxiliary operator fans for summer use and am/fm radio w/antenna and speaker. YES
- 18.27 Lighting package-2 front work lights, 2 top mount flood lights, 2 front driving lights, 2 top mounted rear flood lights LED heavy duty stop/tail lights, front & rear turn signals & flashes, and a master disconnect switch separate from the key switch. All stop ,tail and turn signal lights, front and rear are to be LED type NO
- 19.0 Serviceability
- The wheel loader shall be easy to service from the ground level YES/NO
- The wheel loader service shall also include:
- 19.1 all vertically mounted filters YES

- 19.2 Provide a Vogel centralized automatic lubrication system : Model KFGS, 24 volt, Rubber hose system is to be provided with wheel loader. Contact Vogel Lubrication Inc. Newport News Va. YES
- 19.3 double tapered bearing in the articulation joint YES
- 19.4 minimum 85 gallon fuel tank NO
- 19.5 minimum 25 gallon hydraulic oil tank NO
- 19.6 sight gauge for hydraulic oil level YES
- 19.7 sight gauge for transmission level YES

20.0 Warranty

The wheel loader shall have the following:

- 20.1 the engine shall have a warranty of one year and unlimited hours YES
- 20.2 the power train shall have a warranty of 12 months, unlimited hours YES
- 20.2 Bidder is to include extended warranty options and Pricing information with bid submittal YES

21 Hitch Assembly

- 21.1 The wheel loader shall be equipped with an ACS male Hitch Pro 2000. The 3.0 Cu. Yd bucket, 2.5 Cu Yd 4in1 bucket, and optional attachments to be equipped with ACS Pro 2000 female hitches. YES/NO YES
- 21.2 The hitch installations are to be included in the bid price of the wheel loader YES

22 Transportation

- 22.1 After the new wheel loader is delivered to the vendor, the Vendor shall coordinate delivery to the Village of Skokie YES

After the delivery of the wheel loader with the buckets,

and accessories, the trade in unit can be picked up .

YES

23 Trade-In

- 23.1 1995 Case 621C with one (1) spare wheel and tire (mounted). This unit is equipped with a 2.5 yd, 4in1 bucket.

The unit currently has approximately 11,000 hours, and is used daily. Inspection of the unit can be arranged by contacting Frank Malczewski or Peter Duwel at 847/933-8275 or 847/933-8274, Mon-Fri. 7:00 a.m.-3:30 p.m. by appointment only.
