For Immediate Release  
Public Information Division

## Document Destruction/Paper Shredding Event at the Skokie Farmers' Market!

It's a full day at the Skokie Farmers' Market on Sunday, September 17, 2017! Meet the Consumer Affairs Commission as they host a document destruction/paper shredding event at the Skokie Market.

The shredding event will be held from 9 a.m. to 12 p.m. in the Village parking lot on Floral Avenue and Oakton Street across the street from the Farmers' Market.

This drive-through paper shredding event is in cooperation with the Skokie Chamber of Commerce. Proper destruction of documents such as residentially-generated paper, medical forms, bank statements, personal files, retired tax forms, etc. prevents identity theft. No materials from businesses, schools or institutions will be accepted. Stapled materials are accepted, but please remove binder clips. Documents will be shredded on-site at the time of drop-off. A second document destruction event is scheduled for November 5.

Additionally, The Skokie Farmers' Market is committed to the environment and is making efforts to create a zero-waste market. The Skokie Farmers' Market now offers food scrap collection at every Sunday. Food scraps are collected by the Collective Resource and responsibly composted.

The Skokie Farmers' Market is open every Sunday through November 5, from 7:30 a.m. to 12:30 p.m. The market is sponsored by the Consumer Affairs Commission and supports local farming to bring fresh, nutrient-dense produce to the community. For information regarding the Skokie Farmers' Market or the environmental events, please contact Janelle Silva, Market Manager, at 847/933-8257.
