Skokie Receives Certificate of Achievement for Excellence in Financial Reporting

The Certificate of Achievement for Excellence in Financial Reporting (CAFR) has been awarded to Village of Skokie by the Government Finance Officers Association of the United States and Canada (GFOA) for its comprehensive annual financial report for the fiscal year that ended April 2017.

The Certificate of Achievement is the highest form of recognition in the area of governmental accounting and financial reporting, and its attainment represents a significant accomplishment by a government and its management.

"Fiscal year 2017 marks the 30th consecutive year that the Village has received the prestigious award," said Julian Prendi, Finance Director for the Village of Skokie. "Sincere thanks go to the Finance Department staff who worked many hours over the past several months to prepare the financial report. It is also important to recognize the leadership of the Village Board and the direction provided by the Village Manager's Office, without either of which our financial performance and this award would not be made possible."

The Village of Skokie fiscal year 2017 CAFR has been judged by an impartial panel to meet the high standards of the program, which includes demonstrating a constructive "spirit of full disclosure" to clearly communicate its financial story and motivate potential users and user groups to read the CAFR.

Government Finance Officers Association is a major professional association servicing the needs of nearly 19,000 appointed and elected local, state, and provincial level government officials and other finance practitioners. It provides top quality publications, training programs, services, and products designed to enhance the skills and performance of those responsible for government finance policy and management. The association is headquartered in Chicago, Illinois, with offices in Washington, D.C.
