

The Village of Skokie allows no more than one garage sale permit to be issued to a dwelling unit in any one calendar year. Garage sales shall not extend for more than three consecutive days, and shall be limited to household goods and furnishings which have been in use in the dwelling unit located on the premises, or goods that have been in use in more than one dwelling unit on the same block.

The term "Garage Sale" is defined as a garage sale, patio sale, basement sale, backyard sale, or any similar type sale of three or more household items, that is held on residential premises and to which the general public is invited.

The Skokie Police Department has been fully accredited by the Commission on Accreditation for Law Enforcement Agencies (CALEA) since November of 1988. Accreditation by CALEA is a process by which law enforcement agencies voluntarily seek to demonstrate their continued ability to meet nationally recognized standards. Re-accreditation occurs every 3 years.

The benefits to Skokie residents, businesses, and employees include controlled liability insurance costs, administrative improvements, greater accountability, and increased governmental and community support for these agencies.

The Village of Skokie Police Department's philosophy of community-oriented policing is designed to help build a partnership with our citizens. The partnership will work to find solutions to identified issues in our neighborhoods, on our streets, and in our industrial and commercial areas.
