SUBJECT: AGENDA ITEM – May 21, 2018 Village Board Meeting
2018 Thermoplastic Pavement Marking Maintenance Contract

The Village provides Thermoplastic Pavement Marking Maintenance on an annual basis. Pricing for Thermoplastic Pavement Marking has been obtained through the Northwest Municipal Conference's joint purchasing contract for thermoplastic pavement marking. The conference bids this contract once every three years and reserves the right to extend the contract for up to (3) three additional one-year terms upon mutual agreement on a negotiated basis. The lowest responsive and responsible bidder in 2016 was **Superior Road Striping** of Melrose Park, Illinois. This contract allows that Skokie may join after the first year. It has been extended from April 12, 2018 through April 11, 2019 with a slight, negotiated price increase.

Budget & Account: \$100,000 FY 19 CIP

Recommendation

It is recommended that a contract be awarded to Superior Road Striping for Thermoplastic Pavement Marking Maintenance in the amount not to exceed \$100,000. The exact amount will be calculated per the established unit prices for the final field measured quantities of the determined work performed.

Comments

The Village can take advantage of a more competitive bid participating in the joint contract than by bidding on this type of work, alone. The Village however, must use non-MFT money to participate in this contract.

In addition, the Village of Skokie has had a positive experience working with Superior Road Striping in the past on other projects in the Village.
