DISCUSSION

Per Title 3, Chapter 3 of the Village Code, amusement device licenses are required for all establishments that have amusement devices on site. Amusement device licenses are defined as any machine which operates as a game of skill including, but not limited to, video games, arcade games, electronic games, and pinball. Establishments are required to apply annually for license renewal with the license year running from May 1 to April 30 of the following year. A fee of \$70 per device per year is required.

Staff has reviewed the amusement device renewal application from the American Legion and found it to be in substantial compliance with Village Code. The Legion has three amusement devices for a total of \$210.00.
