
**VILLAGE OF SUGAR GROVE
BOARD REPORT**

TO: VILLAGE PRESIDENT & BOARD OF TRUSTEES
FROM: MATT ANASTASIA, FINANCE DIRECTOR
SUBJECT: RESOLUTION: SOLSTICE POWER TECHNOLOGIES, INC. ENDORSEMENT FOR COMMUNITY SOLAR PROGRAM
AGENDA: SEPTEMBER 6, 2022 REGULAR BOARD MEETING
DATE: SEPTEMBER 2, 2022

ISSUE

Shall the Board approve a Resolution endorsing Solstice Energy for the Community Solar Program.

DISCUSSION

The Board discussed the Community Solar Program with Adam Hoover from NIMEC at the August 16, 2022 Board meeting. It was determined to sponsor Solstice Power Technologies, Inc. over MC2. The main decision was the credit of \$100 Solstice would give back to each resident who signs up, as well as the Village. Helping the residents put money back in their pocket is a focus of the Board, the Village will look at using the additional funds for more Green Energy projects throughout the Village as it does with the Civic Contribution from the Green Energy program from the aggregation program.

COST

There is no cost to sponsoring Solstice Power Technologies, Inc. for the Community Solar Program.

RECOMMENDATION

That the Village Board approved Resolution 20220906G Endorsement for Community Solar Program.

The Village will approve any mailings to its residents in advance of the mailings. Should the Village choose to also support the program by newsletter or other methods, such support would be welcome; and
