She relies on Freedom First to help her daughter with transportation because she is working. President Konen said she would call Tom Rowe The Sugar Grove Township Supervisor and have him call her to discuss.

5. General Business

The discussion was focused around the photos of the brochure. Linda Naab found some new photos from the photo links provided by the marketing company. There was additional discussion about reducing some of the example dining establishments that might not mean as much to a developer. This will help narrow the search of photos. The emphasis will remain with a Village Hall, outdoor dining, housing, recreation and shopping. The brochure is expected to be completed by the next meeting, which is Oct 17th.
