**VILLAGE OF SUGAR GROVE  
BOARD REPORT**

**TO:** VILLAGE PRESIDENT & BOARD OF TRUSTEES  
**FROM:** MATT ANASTASIA, FINANCE DIRECTOR  
**SUBJECT:** RESOLUTION: ENTERING INTO AN AGREEMENT WITH INVOICE CLOUD FOR SUITE OF SERVICES  
**AGENDA:** FEBRUARY 7, 2023  
**DATE:** FEBRUARY 3, 2023

---

**ISSUE**

Shall the Village enter into an agreement with Invoice Cloud for Suite of Services.

**DISCUSSION**

The Village current utilized Point & Pay for credit card/online payment merchant services for Utility Bills and Community Development invoices. The Village has uses Point & Pay from the beginning of implementation with BS&A, as they are integrated for ease of use and efficiencies. Since then, Staff has seen multiple demos of Invoice Cloud and their services. Their suite of services includes additional payment options for Residents, increased billing history, ease of use for both Residents and Staff, decreased payment entry time, to name a few. While this has an additional cost of roughly \$14,000 annually, Staff believes the efficiencies and benefits out way the additional cost. This service will also allow Staff more time to focus on other tasks, rather than the daily payment processing task and paper mailings currently handled.

Invoice Cloud would roll out their suite of software for Residents to pay, as well as be the credit card merchant processor for the Village, replacing Point & Pay.

**COST**

The total cost additional cost to change from Point & Pay to Invoice Cloud is estimated at \$14,000 annually. This is budgets for in FY2023-2024, as implementation will take until May 2023.

**RECOMMENDATION**

Approve Resolution 20230207D Authorizing Execution of an Agreement with Invoice Cloud.

## Billers Agreement

This Invoice Cloud Billers Agreement is made and entered into, as of the Effective Date, between Invoice Cloud and the Biller. Invoice Cloud and the Biller are sometimes individually referred to as a "Party" and collectively as the "Parties."

**1. License Grant & Restrictions.** Subject to execution by Biller of the Invoice Cloud Biller Order Form incorporating this Agreement, Invoice Cloud hereby grants Biller a non-exclusive, non-transferable, worldwide right to use the Service described on the Biller Order Form until termination as provided herein, solely for the following purposes, and specifically to bill and receive payment from Biller's own customers, for Services that are referenced in the Biller Order Form. All rights not expressly granted to Biller are reserved by Invoice Cloud and its licensors.

Biller will provide to Invoice Cloud all Biller Data generated for Biller's Customers. Unless otherwise expressly agreed to in writing by Invoice Cloud to the contrary, Invoice Cloud will process all of Biller's Customers' Payment Instrument Transactions requirements related to the Biller Data and will do so via electronic data transmission according to our formats and procedures for each electronic payment type selected in the Biller Order Form. In addition, Biller will execute all third-party applications and enter into all agreements required for the Service without unreasonable delay, including without limitation Payment Processing Agreements and merchant agreements that may be required upon implementation, or later at such time as the Service operates with different or multiple payment processors. Throughout the Term of this Agreement, for "Invoice Types" listed on the Biller Order Form (e.g., real estate taxes, utility bills, parking tickets, insurance premium, loans, etc.), Biller will not use the credit card processing, ACH or check processing of any bank, payment processor, entity, or person, other than Invoice Cloud via electronic data transmission or the authorization for processing of Biller's Customers' Payment Instrument Transactions, for each electronic payment method selected in the Biller Order Form.

**2. Privacy & Security.** Invoice Cloud's privacy and security policies may be viewed at <http://www.invoicecloud.com/privacy.html>. Invoice Cloud reserves the right to modify its privacy and security policies in its reasonable discretion from time to time which modification shall not materially adversely impact such policies. Invoice Cloud will maintain compliance with current required Payment Card Industry (PCI) standards and Cardholder Information Security standards.

**3. Account Information and Data.** Invoice Cloud does not and will not own any Customer Data, in the course of providing the Service. Biller, not Invoice Cloud, shall have sole responsibility for the accuracy, quality, integrity, legality, and reliability of, and obtaining the intellectual property rights to use and process all Customer Data. In the event this Agreement is terminated, Invoice Cloud will make available to Biller a file of the Customer Data (to the extent that Invoice Cloud is permitted to provide pursuant to applicable law and PCI-DSS standards), within 30 days of termination of this Agreement (or at a later time if required by applicable law), if Biller so requests at the time of termination. Invoice Cloud will retain Customer Data for a period from its creation for the time frame that is listed in the Biller Order under "Data Retention", and reserves the right to remove and/or delete remaining Customer Data no less than 60 days after termination or expiration except as prohibited by applicable law or in the event of exigent circumstances.

**4. Confidentiality / Intellectual Property Ownership.** Invoice Cloud agrees that it may be furnished with or otherwise have access to Customer Data that the Biller's customers consider confidential. Invoice Cloud agrees to secure and protect the Customer Data in a manner consistent with the maintenance of Invoice Cloud's own Confidential Information, using at least as great a degree of care as it uses to maintain the confidentiality of its own confidential information, but in no event use less than commercially reasonable measures. Invoice Cloud will not sell, transfer, publish, disclose, or otherwise make available any portion of the Customer Data to third parties, except as permitted under this Agreement or required to perform the Service or otherwise required by applicable law.

Invoice Cloud (and its licensors, where applicable) owns all right, title and interest, including all related Intellectual Property Rights, in and to the Invoice Cloud Technology, the Content and the Service and any enhancement requests, feedback, integration components, suggestions, ideas, and application programming interfaces, recommendations or other information provided by Biller or any other party relating to the Service. In the event any such intellectual property rights in the Invoice Cloud Technology, the Content or the Service do not fall within the specifically enumerated works that constitute works made for hire under applicable copyright laws or are deemed to be owned by Invoice Cloud, Biller hereby irrevocably, expressly and automatically assigns all right, title and interest worldwide in and to such intellectual property rights to Invoice Cloud. The Invoice Cloud name, the Invoice Cloud logo, and the product names associated with the Service are trademarks of Invoice Cloud or third parties, and no right or license is granted to use them. If the Services become, or in Invoice Cloud's opinion is likely to become, the subject of an infringement claim, Invoice Cloud may, at its option, either (a) procure the right for Biller to continue using the Services, or (b) replace or modify the Services so that it becomes non-infringing.

Biller agrees that during the course of using or gaining access to the Service (or components thereof) it may be furnished with or otherwise have access to information that Invoice Cloud considers to be confidential including but not limited to Invoice Cloud Technology, the Agreement, customer and/or prospective customer information, product features and plans, the marketing/sales collateral, pricing and financial information of the parties which are hereby deemed to be Invoice Cloud Confidential Information, or any other information that by its very

## Biller Agreement

nature constitutes information of a type that any reasonable business person would conclude was intended by Invoice Cloud to be treated as proprietary, confidential, or private (the “Confidential Information”). Biller agrees to secure and protect the Confidential Information in a manner consistent with the maintenance of Invoice Cloud’s rights therein, using at least as great a degree of care as it uses to maintain the confidentiality of its own confidential information, but in no event use less than reasonable efforts. Biller will not sell, transfer, publish, disclose, or otherwise make available any portion of the Confidential Information of the other party to third parties (and will ensure that its employee and agents abide by the requirements hereof), except as expressly authorized in this Agreement or otherwise required by applicable law.

Notwithstanding the foregoing, the Parties acknowledge that Biller is a public body subject to the Illinois Freedom of Information Act (“FOIA”) and Open Meetings Act (“OMA”). If Biller receives any request under FOIA or OMA, or if either Party is required by law, court order, subpoena, or similar legal obligation to disclose any Confidential Information of the other Party, the Party subject to such legal obligation shall provide prompt written notice to the other Party and afford the other Party a reasonable opportunity to seek protective legal treatment for such Confidential Information or trade secrets as necessary prior to the disclosure of the requested records, provided, however, that Biller may disclose Invoice Cloud’s Confidential Information pursuant to a FOIA or OMA request within the statutory timeframe following notice to Invoice Cloud, limiting such disclosure to that Confidential Information strictly necessary to respond to such request, without violating this Section 4 of the Agreement.

**5. Billing.** Invoice Cloud fees for the Service are provided on the Biller Order Form. Invoice Cloud's fees are exclusive of all taxes, levies, or duties imposed by taxing authorities. Invoice Cloud may assess and/or collect such taxes, levies, or duties against Biller and Biller shall be responsible for payment of all such taxes, levies, or duties, excluding only United States (federal or state) taxes based solely on Invoice Cloud's income. All payment obligations are either auto debited from the Biller Bank Account or payable on receipt of invoice from Invoice Cloud, and are non-cancellable, and all amounts or fees paid are non-refundable. Unless Invoice Cloud in its discretion determines otherwise, all fees will be billed in U.S. dollars. If Biller believes Biller’s bill or payment is incorrect, Biller must provide written notice to Invoice Cloud within 60 days of the earlier of the invoice date, or the date of payment, with respect to the amount in question to be eligible to receive an adjustment or credit; otherwise such bill or payment is deemed correct. Invoice Cloud reserves the right to modify pricing with respect to applicable fees to be paid under this Agreement, at any time upon thirty days written notice to Biller: a) based on increases incurred by Invoice Cloud on Network Fees from credit card processors, bank card issuers, payment associations, ACH and check processors; or b) if, during the Term, the average credit card payment processed by Invoice Cloud for any three (3) consecutive month period exceeds 110% of the Average Credit Card Transaction \$ specified on the corresponding Invoice Parameter Sheet(s), to the extent that Invoice Cloud incurs increases in Network Fees. Invoice Cloud, on at least 30 days written notice to Biller, may also increase any or all fees referenced in the Biller Order Form (including any Invoice Parameter Sheets), by no more than the greater of CPI for the preceding period or 5%, provided, however, that such increase may not apply during the first year after the execution date of the Biller Order Form and may not occur more than once per year thereafter.

**6. Term and Termination.** The initial term of this Agreement shall commence as of the execution date of the Biller Order Form and continue for a period of five (5) years after the Go Live Date (“Initial Term”), and will automatically renew for each of additional successive three (3) year terms (“Renewal Term”) unless terminated as set forth herein. “Term” as used herein shall mean the Initial Term and any Renewal Term. This Agreement may be terminated by either party effective at the end of the Initial Term or any Renewal Term by such party providing written notice to the other party of its intent not to renew no less than ninety (90) days prior to the expiration of the then-current term. Additionally, this Agreement may be terminated by either party with cause in the event of a material breach of the terms of this Agreement by the other party and the breach remains uncured for a period of 30 days following receipt of written notice by the breaching party. Notwithstanding the foregoing, if a violation, default, or failure cannot be reasonably cured within thirty (30) days, but the breaching party has made substantial steps toward compliance with this Agreement in good faith, the Parties may agree to an extension of this timeframe so long as the breaching party is pursuing a cure with reasonable diligence. Upon any early termination of this Agreement by Invoice Cloud as a result of breach, Biller shall remain liable for all fees and charges incurred, and all periodic fees owed through the end of the calendar month following the effective date of termination. Upon any termination or expiration of this Agreement, Biller’s password and access will be disabled and Biller will be obligated to pay the balance due on Biller’s account. Biller agrees that Invoice Cloud may charge such unpaid fees to Biller’s Debit Account or credit card or otherwise invoice Biller for such unpaid fees.

**7. Invoice Cloud Responsibilities.** Invoice Cloud represents and warrants that it has the legal power and authority to enter into this Agreement. Invoice Cloud warrants that the Service will materially perform the functions that the Biller has selected on the Biller Order Form and the Statement of Work, attached hereto and incorporated herein by reference (the “Statement of Work”), under normal use and circumstances, and that Invoice Cloud shall use commercially reasonable measures with respect to Customer Data to the extent that it retains such, in the operation of the Service; provided, that the Biller shall maintain immediately accessible backups of the Customer Data (to the extent that Biller is permitted pursuant to applicable law and PCI-DSS standards). Biller is responsible for all activity occurring under Biller's accounts and shall abide by all applicable laws, and regulations in connection with Biller's and/or its customers' and/or any payers' use of the Service, including those related to data privacy, communications, export or import of data and the transmission of technical, personal or other data. The Village of Sugar Grove Portal is an administrative portal where Village of Sugar Grove staff will have access to reporting, search customers, search invoices, search payments, initiate payments or credits, login as a Payer, modify email templates, etc.

- a. Village of Sugar Grove can log in as the Payer on either the Village of Sugar Grove or Payer Portal and make a payment on behalf of the Payer. There is an audit trail for who made the payment, and the source of every payment (CSR, Pay by Text, AutoPay, Web, IVR, etc.).
- b. Village of Sugar Grove will have the capability of blocking future payments by specific Payer and payment method type (i.e. Credit Card or E-Check (ACH)).
- c. **Permissions** – The Village of Sugar Grove Portal includes a table of role based permissions, determined by the Village of Sugar Grove's System Administrator. Each permission is applied to a user ID on an individual basis to maximize flexibility. Since it is controlled by Village of Sugar Grove administrator, changes can be made quickly on an as needed basis.
- d. **Administrative Email Notifications** - Village of Sugar Grove may set up the system to send several administrative notifications and request system notifications be sent to multiple staff members. This allows different departments to get the information they need in a timely manner. The notifications include:

## **7. Business Rules**

The Invoice Cloud solution is designed for flexibility for customers and Village of Sugar Groves. There are many rules currently available and we will also undertake the creation of new business rules as we both agree. Each bill type operates independently and can accept different payment types as well as other business rules. At Village of Sugar Grove's option, multiple business rules can be applied to each bill type. Invoice Cloud provides flexibility regarding business rules to support specific needs, including:

- a. Ability to allow partial payments, over payments, full balance only, or late fees.
- b. Ability to allow payments beyond the due date - The service is designed to accommodate Village of Sugar Grove specific business rules like allowing payments beyond their due date.
- c. Ability to allow for multiple payment types for one customer for the same bill - The service allows multiple payment types from one customer for the same bill when partial payments are allowed. Credit/debit card and e-check (ACH) can be run separately and an unlimited number of remittance

types can be used. For example, a customer can pay part of a bill with a checking account, another part with a credit card and the remainder with a second credit card of a different type.

## 8. Implementation Process

Invoice Cloud assigns an Implementations Manager (IM) to each Village of Sugar Grove. The IM will be the Village of Sugar Grove's primary contact during the implementation process and coordinates all necessary resources from Village of Sugar Grove, Village of Sugar Grove software company, Invoice Cloud, and any sub-contractors.
