**VILLAGE OF SUGAR GROVE  
BOARD REPORT**

---

---

**TO:** VILLAGE PRESIDENT & BOARD OF TRUSTEES  
**FROM:** PATRICK J. ROLLINS, CHIEF OF POLICE  
**SUBJECT:** APPROVAL: AUTHORIZING THE POLICE DEPARTMENT TO ORDER  
A PORTABLE DRUG DISPOSAL INCINERATOR (BURN BARREL)  
**AGENDA:** FEBRUARY 21, 2023 BOARD MEETING  
**DATE:** FEBRUARY 13, 2023

---

**ISSUE**

Should the Village authorize the police department to place an order with Elastec for their Drug Terminator-Portable Drug Disposal Incinerator/Burn Barrel.

**DISCUSSION**

The Police Department is responsible for properly disposing of confiscated illicit drugs taken as evidence after the disposition of the case, or when no prosecution occurs due to lack of determining ownership when multiple offenders or unknown are involved, or when the offender dies from the consumption/injection of the illicit drugs, as police must take possession and inventory the drugs for later disposal per police standards.

Our property custodian has been asking for a means to destroy old drug evidence that is taking up space in our evidence room. He has reached out to other agencies in the Chicagoland area to see how they are properly disposing of the material. Police agencies have been utilizing an effective and safe means to destroy the illicit drugs via a burn barrel specifically designed to effectively incinerate while still addressing EPA mandates regarding air emissions. (The State of Illinois passed legislation back on July 16, 2015 which discouraged the open air field drug burns.)

The police department received three quotes for portable incinerators / drug barrels.

GEI Works	\$6,571.04
Skimoil	\$5,584.00
Elastec	\$5,440.00

Staff is requesting approval to place the order with the lowest quote from Elastec, in the amount of \$5,440.00.

**COST**

This is an unbudgeted purchase for fiscal year 2022-2023. However funding consideration from reserves is being requested to over spend in the police budget account Specialized Supplies, 01-51-6603.

**RECOMMENDATION** –That the Board approve Resolution #2023-PD-0221a authorizing the purchase of a Portable Incinerator/Burn Barrel from Elastec in an amount not to exceed \$5,440.00.

**RESOLUTION NO. 20230221PDA**
