
**VILLAGE OF SUGAR GROVE
BOARD REPORT**

TO: VILLAGE PRESIDENT & BOARD OF TRUSTEES
FROM: PATRICK J. ROLLINS, CHIEF OF POLICE
SUBJECT: RESOLUTION: AUTHORIZING THE POLICE DEPARTMENT TO ENTER INTO AN AGREEMENT WITH PROPERTYROOM.COM FOR UTILIZING THEIR AUCTION SERVICES
AGENDA: JUNE 6, 2023 BOARD MEETING
DATE: MAY 29, 2023

ISSUE

Should the Village authorize the police department to enter into an agreement with PropertyRoom.com, Inc. for auction services to lawfully dispose of surplus, found, unclaimed property along with seized evidence.

DISCUSSION

The Police Department is desiring to utilize PropertyRoom.com, Inc. to lawfully dispose of found property, village surplus equipment, unclaimed property, and evidence seized during a criminal or local case where the case has been adjudicated where the judge did not provide an order to destroy, or return the item back to the owner. In addition, some cases where no charges are brought against an offender and where the rightful owner of the property is unknown or chooses not to claim their goods, auctions are the means to properly dispose of the property. Most police agencies utilize an auction service to dispose of these type of items. Some of the auction services are performed by local auctioneers with live in-person viewing and selling, or through an on-line company.

Propertyroom.com is a company well-known and established in 1999 that is being utilized by over 3,000 municipalities/police/government agencies to auction goods on-line nationwide. By utilizing their services, they do most of the work and will get a percentage of the monies (sliding scale) received for each sale. (If we were to utilize a local auctioneer service, they too would get a percentage of the sale). In addition, if we were to hold our own auction, staff time for prepping for the live auction along with manpower on the day of the auction typically would need to be taken into consideration for a cost benefit analysis. Propertyroom.com typically is in the area four times a year, for pickup. There is a fuel surcharge that is in addition to selling of the items as they pick up and bring the items to a secure site before selling. Timing the pickups with

neighboring agencies utilizing the service is beneficial for the overall costs for those involved. Most police auctions do not generate a substantial amount of revenue, but they are required by statute for disposal of certain items (765 ILCS 1030).

Entering into the agreement does not commit the Village to auctioning all items off through their services. Staff may decide to auction off certain items through other means, including e-bay for selling disposed of police vehicles or high end merchandise.

Staff believes this is a great opportunity to lawfully dispose of items being held in the Sugar Grove property room and Village declared surplus items. It would be in the best interest to create on the police department section of the village's website, a separate page describing the auction program and providing a link for the items up for auction through propertyroom.com.

This agreement is still Subject to Attorney Review (STAR)

COST

There is no cost to the village if an item does not sell. Propertyroom.com would receive a percentage of the items sold. Sales are split on a sliding fee between us and Propertyroom.com. Our proceeds would go back into the Village's General Fund or Capital Fund depending on the type of item sold.

RECOMMENDATION –That the Board approve Resolution #2023-0606PD authorizing the police department to execute of the agreement with Propertyroom.com for their services.

ATTEST: _____

Alison Murphy, Village Clerk

This Asset Disposition Services Agreement ("Agreement") is made by and between PropertyRoom.com, Inc., a Delaware corporation ("Contractor") and _____ ("Owner"). The Agreement is effective upon Owner's signature date ("Effective Date").

Whereas Contractor's business involves surplus asset management, selling, auction, disposition and related services ("Services"); and

Whereas Contractor desires to provide Services to Owner and Owner desires Contractor to provide Services subject to this Agreement.

Now therefore, in consideration of premises above and mutual covenants and agreements set forth herein, Contractor and Owner agree as follows.

Any other municipal, county, or state government agency located within the same state as Owner may also procure Services under this Agreement under the same terms and conditions stated in this Agreement by executing an adoption agreement with Contractor based upon this Agreement.

1. **Items Requiring Services.** Owner will identify items ("Assets") it desires to provide to Contractor for Services. Contractor retains the right to accept or reject certain Assets in its sole discretion.
2. **Title to Assets.** Owner shall retain, at all times, legal title to Assets unless and until Assets are purchased or otherwise disposed of according to the Agreement, at which time Owner will be deemed to have transferred title directly to an Asset purchaser or other acquirer ("Buyer") identified by Contractor. Owner appoints Contractor as its representative and instrumentality to hold and offer Assets for sale, on Owner's behalf, in accordance with the Agreement. Owner appoints Contractor as its attorney-in-fact to sign any and all documents necessary to assign to Buyers all of Owner's rights, title and interest in and to Assets sold or disposed. Cash receipts, accounts receivable, contract rights, notes, general intangibles, and other rights to payment of any kind arising out of Asset sales ("Proceeds") belong to Owner. Contractor may withhold from Proceeds amounts owed to Contractor and any third parties in connection with Services, which amounts shall be disbursed by Contractor on Owner's behalf. Contractor will remit remaining balances to Owner ("Owner Net Proceeds").
3. **Term and Termination**
This Agreement shall commence on the Effective Date and shall continue for an initial term of one (1) year from the Effective Date and thereafter will automatically renew for consecutive one (1) year terms unless written

notice of non-renewal is provided by either party to the other at least sixty (60) days prior to the expiration of the then current term.

- a. Either Owner or Contractor (the "Party" or "Parties") may terminate the Agreement upon thirty (30) days prior notice to the other Party.
- b. The rights of the Parties to terminate the Agreement are not exclusive of any other rights and remedies available at law or in equity, and such rights will be cumulative. Exercising any such right or remedy will not preclude exercising these or any other rights and remedies.
- c. Upon any termination or expiration, Contractor may continue to provide Services for any unsold Assets then in the possession of Contractor. Alternatively, Owner may, at Owner's expense, arrange for the return of Owner Assets.

4. Payment for Services

- a. **Fees.** Fees for Contractor Services appear in signed addendums to this Agreement.
- b. **Remittance of Proceeds.** Once a month, Contractor will remit Owner Net Proceeds from sales completed the prior month. Sales are deemed completed when all items from an asset list line-item are sold, paid for and shipped. Contractor may defer payment of any amount less than \$250 until such time as the amount owed Owner equals or exceeds \$250.
- c. **Invoices.** If monthly Proceeds do not cover amounts owed, Contractor and Owner will mutually agree for Contractor to either:
 - (1) Invoice Owner for Services, net of Proceeds collected, or
 - (2) Accrue and carry-over unpaid balances, invoicing Owner when negative balances persist for six (6) consecutive months.
- d. **Reporting.** Each month, Contractor will publish a standard online report containing information related to Owner Assets, Services provided, Fees and Owner Net Proceeds.

5. **Contractor Obligations.** Contractor may utilize subcontractors in its performance of Services, provided Contractor shall be responsible for any breach of this Agreement by such subcontractors. With respect to delivering Services:
 - a. Contractor shall maintain insurance covering Assets against fire, theft, and extended coverage risks ordinarily included in similar policies.
 - b. For auction Services, Contractor will use organic marketing techniques ("OMT") to increase bidding on Owner Assets. OMT may include, but not be limited to, email, publicity related to this Agreement, and facilitation of

clickable links on Owner website(s) to websites used by Contractor for Asset sales.

6. Asset Lists

- a. **Manifest & Asset Lists.** Owner will complete paperwork reasonably necessary to convey custodial possession of Assets to Contractor, such as written manifests or Asset lists (the "Asset Lists") describing items in sufficient detail for proper identification. Contractor owns exclusive rights to sell Assets described in Asset Lists provided by Owner for a period of 120 days from the date Owner releases an Asset to Contractor for sale and Owner will not grant any such rights to any third party (or itself sell the applicable Assets).
- b. **Excluded Assets.** Owner agrees it will not knowingly provide illegal or hazardous Assets or Assets that infringe intellectual property rights of any third party ("Excluded Assets"). In the event Contractor identifies any item as an Excluded Asset, Contractor shall have the right to suspend, cancel, or unwind any sale or disposal of such Excluded Asset.

7. Salability of Assets.

- a. Owner states Assets subject to Services are legally available for sale to the general public; and
- b. If required, Owner has taken necessary actions for transfer of Asset title(s) to Buyers.

- 8. Books and Records.** Contractor will keep complete and accurate books of account, records, and other documents with respect to the Agreement ("Books and Records") for at least 3 years following Agreement expiration or termination. Upon reasonable notice, Books and Records will be available for inspection by Owner, at Owner's expense, at the location where Books and Records are regularly maintained, during Contractor's normal business hours.

- 9. Assignment.** This Agreement shall be binding upon and inure to the benefit of the Parties named herein and their respective successors and assigns. Neither Party may assign any of its obligations under this Agreement without the prior written consent of the other Party, such consent not to be unreasonably withheld or delayed, provided that Contractor may assign this Agreement without such consent to a successor in interest by way of a merger, consolidation, or sale of all or substantially all of Contractor's assets.

- 10. Notices.** Any notice or other communication given under the Agreement will be in writing and delivered by hand, sent by facsimile (provided

acknowledgment of receipt thereof is delivered to the sender), sent by certified, registered mail or sent by any nationally recognized overnight courier service to the addresses provided in the Owner information section. Notices sent by registered mail or national overnight carrier shall be effective upon delivery. The Parties may, from time to time and at any time, change their respective addresses and each will have the right to specify as its address any other address by written notice to the other Party. A change of address will take effect upon receipt of notice unless a later date is otherwise specified.

- 11. Interpretation.** Whenever possible, each provision of the Agreement will be interpreted in such a manner as to be effective and valid under applicable law, but if any provision of the Agreement is held to be prohibited by or invalid under applicable law, such provision will be ineffective only to the extent of such prohibition or invalidity, without invalidating the remainder of such provision or the remaining provisions of the Agreement. The Agreement headings are inserted for convenience of reference only and shall not constitute a part hereof.

- 12. Governing Law.** The internal law, and not the law of conflicts, of the state in which Owner is located will govern all questions concerning construction, validity and interpretation of the Agreement and the performance of the obligations imposed by the Agreement. The proper venue for any proceeding at law or in equity will be the state and county in which the Owner is located, and the Parties waive any right to object to the venue.

- 13. Further Assurances.** Contractor and Owner will each sign such other documents and take such actions as the other may reasonably request in order to effect the relationships, Services and activities contemplated by the Agreement and to account for and document those activities.

- 14. Relationship of the Parties.** No representations or assertions will be made or actions taken by either Party that could imply or establish any joint venture, partnership, employment or trust relationship between the Parties with respect to the subject matter of the Agreement. Except as expressly provided in the Agreement, neither Party will have any authority or power whatsoever to enter into any agreement, contract or commitment on behalf of the other, or to create any liability or obligation whatsoever on behalf of the other, to any person or entity.

Asset Disposition Services Agreement

15. **Force Majeure.** Neither Party will be liable for any failure of or delay in performance of the Agreement for the period that such failure or delay is due to acts of God, public enemy, war, strikes or labor disputes, or any other cause beyond the Parties' reasonable control (each a "Force Majeure"), it being understood that lack of financial resources

will not to be deemed a cause beyond a Party's control. Each Party will notify the other Party promptly of any Force Majeure occurrence and carry out the Agreement as promptly as practicable after such Force Majeure is terminated. The existence of any Force Majeure will not extend the term of the Agreement.

This Agreement, together with one or more signed addendums attached hereto, comprises the entire agreement between Contractor and Owner relating to Services and supersedes any prior understandings, agreements, or representations by or between the parties, whether written or oral.

Secure liquidation services for firearms inventory
FIREARMS AUCTION SERVICES

Federal Law says....

*The Protection of Lawful Commerce in Arms Act
(Title 15, United States Code, Chapter 105), prohibits
lawsuits in any state or federal court against a seller
in a lawful firearms transaction.*

Us or them....

PROPERTYROOM.COM

Each firearm is sold Individually

- Every firearm is sold for your agency individually through Federal Firearms Licensee (FFL)
- Buyer is end user paying retail price for firearm
- Each transaction is after full background checks as required by law
- ATF record of every buyer

THE OTHER GUYS

Firearms sold in lots

- Firearms purchased from your agency by FFL in lots for fraction of retail value
- FFL often sells firearms in lots to buyers for fraction of retail value motivating buyer to resell firearms for profit
- Firearms resold by private buyers don't require an ATF record of the transaction

How does it all work? *Firearms Auction Services*

1

Bar code and manifest items for complete audit trail and schedule pick up in supplied shipping materials

2

1 to 1,000's of firearms securely moved each pick up

3

4

Listed on a secure firearms online auction site

5

Proceeds paid by check or electronic funds transfer
