# VILLAGE OF SUGAR GROVE BOARD REPORT

TO: VILLAGE PRESIDENT & BOARD OF TRUSTEES
FROM: MATT ANASTASIA, FINANCE DIRECTOR
SUBJECT: RESOLUTION: AUTHORIZING THE VILLAGE'S NEW HOME FEE
AGENDA: DECEMBER 3, 2024 REGULAR BOARD MEETING
DATE: NOVEMBER 25, 2024

#### ISSUE

Shall the Village Board approve a Resolution authorizing the Village's New Home Fee.

#### DISCUSSION

This is a continuation of the discussion to approve the New Home Permit Fee Resolution from the November 19, 2024 Board meeting. Here is the Board Report discussion from that meeting:

"At the Board meeting held on November 5, 2024, the Village Board discussed adding an exhibit to the Village's New Home Fee, which would establish set fees for a Building Permit. This was being requested more often from developers, and with the potential influx of building permits this would standardize it for the Community Development Department.

The max New Home Fee remains at \$17,850, however, the only line item in the Building Permit cost that would fluctuate is the actual Building Permit which is based on \$0.31/sq. ft. with a minimum permit fee of \$1,135.00. As shown with the minimum permit fee of \$1,135.00 included any home 3,661 sq. ft. and under would cost \$15,333.00. The permit fee would only increase on homes with a square foot larger than 3,661, to a max of \$17,850.00.

For the purposes of calculating a building permit fee, square footage includes overall area of each floor, basement area, crawl space and garage floor space."

In addition, the Board requested a survey from surrounding communities to review their fees as well. This was completed in August 2023 when the entire Fee Schedule was reviewed, as well as during the process of The Grove development. I have attached the results of this survey for surrounding communities.

While we reviewed the survey results of the communities, Staff also reviewed the needs and future needs of the Village for Capital, Road and Water/Sewer Capital at the time. All of these were considered when deriving the proposed fees.

## COST

There is no cost to standardizing the Village New Home Permit Fee.
