

**VILLAGE OF SUGAR GROVE  
BOARD REPORT**

---

---

**TO:** VILLAGE PRESIDENT & BOARD OF TRUSTEES  
**FROM:** SCOTT KOEPPPEL, VILLAGE ADMINISTRATOR  
**SUBJECT:** DEPUTY VILLAGE CLERK PART-TIME  
**AGENDA:** JUNE 18, 2024, REGULAR BOARD MEETING  
**DATE:** JUNE 12, 2024

---

**ISSUE**

Should the Village add a part-time Deputy Village Clerk?

**DISCUSSION**

Currently, Administration has two full-time employees, the Village Administrator and the Village Clerk/Executive Assistant. One of the core responsibilities of Administration is answering Freedom of Information Requests (FOIA). FOIAs are an unfunded mandate from the State of Illinois with strict timelines. Due to the high volume of FOIA requests Administration staff have been unable to complete initiatives and other projects.

Approximately half of the Village Clerk's time is currently spent on FOIA requests. In addition to the Village Clerk, the Finance Director and Village Administrator are FOIA officers. The Village Administrator has spent roughly 10 hours per week on FOIA requests and correspondence with the Attorney General's Public Access Counselor (PAC) since January 1<sup>st</sup>.

Many of the FOIAs are from the same frequent requestors. A log of FOIA requests since January 1<sup>st</sup> is attached to this memo. Most requests made directly to Public Works or Police are handled by their departments and are not included on the list.

The addition of a Deputy Village Clerk would help alleviate the burden on the current staff. Administration has other long-term projects including scanning, document filing, and review of internal processes. Finally, a Deputy Clerk could help cover for the Village Clerk in their absence.

**COST**

Salary and benefits.

**RECOMMENDATION**

That the Village Board discuss adding a Deputy Village Clerk to the Administration Department.
