
**VILLAGE OF SUGAR GROVE
BOARD REPORT**

TO: VILLAGE PRESIDENT & BOARD OF TRUSTEES
FROM: PATRICK ROLLINS, CHIEF OF POLICE
SUBJECT: RESOLUTION: RATIFICATION TO PURCHASE TWO REPLACEMENT POLICE CHEVY TAHOE VEHICLES
AGENDA: OCTOBER 1, 2024, REGULAR BOARD MEETING
DATE: SEPTEMBER 24, 2024

ISSUE

Should the Village Board ratify the purchase of two 2025 Police Pursuit Chevrolet Tahoe Vehicles for the police department through Miles Chevrolet.

DISCUSSION

In accordance with the rotation of our police vehicles, Fiscal Year 2024-2025 Budget includes Capital Funds to replace two Police Vehicles.

The police department budgeted \$87,487 per car (cost of vehicle, accessories, and outfitting, emergency equipment, computer, etc.) and was approved by the Village Board during the budget process. The police department will work within our budgeted means and will come back to the board if the overall costs will exceed the budgeted amount.

This matter was presented during the General Business / discussion portion at the Village Board meeting on September 17. As a reminder, the new 2025 Police Pursuit 4-wheel drive Tahoe's with selected options amounts to \$58,146 per squad. Staff placed an order through Miles Chevrolet for two budgeted 2025 Chevy Tahoe's on September 9, 2024. The reason for the pre-order was not to lose the opportunity to place an order before the allotment of new squad orders are filled by agencies competing across the nation for a limited number being built. Typically, the ordering window opens and closes within days of being posted.

The Village Board directed staff to proceed with the purchase of the two 2025 Chevy Tahoe's at their September 17th meeting.

COST

The overall budgeted build-out fully functioning police vehicle costs for a 2025 Chevy Tahoe Vehicles is \$87,487 per vehicle. The Fiscal Year 2024-2025 Capital Projects Fund, account 30-51-7006: Automotive Equipment includes \$174,974.00 for the replacement of two Police Vehicles.

RECOMMENDATION

That the Village Board ratifies Resolution 2024-1001-PD for ordering two budgeted 2025 Chevy Tahoe Pursuit Vehicles with Miles Chevrolet and to also have it to be fully outfitted with necessary police equipment through other various vendors.

Ok, here we go! GM has given me the green light for the State of Illinois!

I have attached an order form for the 2025 Tahoe PPV's. Please take a look at it and email me back how many you want!! They have redesigned front, rear and dashboard!

I am taking names/orders on a first come basis. The faster you respond, the better the chances will be. Last year they capped me at 100. I am hoping to get more this year but don't have an exact number yet. I also am waiting for info as to when they will be building them!!

So, get your orders in quick to get a good spot in line! IF you have any questions, please let me know. I will also like to have a PO # with the order if possible.

Thanks and I appreciate your business!
