
**VILLAGE OF SUGAR GROVE
BOARD REPORT**

TO: VILLAGE PRESIDENT & BOARD OF TRUSTEES
FROM: PATRICK J. ROLLINS, CHIEF OF POLICE
SUBJECT: DISCUSSION: RENEWAL OF BODY WORN CAMERA AND TASER AGREEMENTS, COST SAVINGS OPTIONS
AGENDA: MAY 20, 2025, VILLAGE BOARD MEETING
DATE: MAY 13, 2025

ISSUE

Should the Village Board discuss the opportunity to early renew agreements with Axon Enterprises, Inc., for our Body-Worn-Camera and Taser agreements.

DISCUSSION

Tasers:

At their March 15, 2022, meeting, the Village Board authorized the police department to enter into an agreement with Axon Enterprises for new Tasers (Taser 7 model). The department's goal at that time was to equip each full-time officer with their own Taser 7 and to have an inventory pool of the then-current version (Taser X26P purchased in 2016) available for check-out for the part-time officers. Needing an option for every police officer in the department to access less-lethal weapons was desirable, as no Tasers were available for check-out during certain times. During our last annual in-service training, the entire department identified gaps with officers utilizing both the Taser 7s and the Taser X26P. All officers needed to be trained with each device to lawfully deploy under circumstances if they grabbed another officer's Taser during a fast-moving incident. Knowing this, staff during the FY25- 26 Budget process put in funding to cover additional Taser 7 units to replace the Taser X26P so that the platform is consistent across the entire department and that the Taser cartridges are interchangeable. Currently, the Taser 7 cartridge is incompatible with the Taser X26P and vice versa. Today's goal is for all full-time and part-time officers to utilize the same Taser platform. A newer model, Taser 10, is available but is not being considered now.

Today, staff is requesting the Village Board's permission to expend budget funds for the additional Taser 7 units.

Body Worn Cameras (BWC):

In addition, the Village Board approved 21 body-worn cameras at their November 15, 2022, meeting. The state statute for our size agency required every officer to have a body-worn camera as of January 1, 2025. Grant funds were utilized to offset a small percentage of the expenditures. (three grants in total). An additional seven body-worn cameras were added to our inventory as approved at the Village Board Meeting on August 20, 2024. (One of the three grant funds previously mentioned was applied to offset the Village's costs.) Many components and other services are part of the BWC agreements.

Combined Agreements:

Over the years, the Police Department has entered into multiple agreements with Axon for Tasers and Body Worn Cameras. Staff desire to bring the many agreements into a single agreement. As each agreement has a separate five-year term. In essence, prices are locked in for 5 years over the entire length of the agreement. However, when you renew, you could have a significant spike in new agreement costs. Axon typically has an increase in pricing yearly on their products and services (3-4% inflationary costs).

Axon has a program where they replace hardware for body-worn cameras approximately every 26 months. Since we have two separate agreements for the BWCs, some are being replaced with newer models (BWC 3 to BWC 4). There is a gap between the two agreements; the equipment models differ from the charging docks to the individual holders for each officer. The BWC3 does not fit the BWC4 peripherals or holders, etc. Today's goal is to ensure that the body-worn cameras are on the same platform and change over altogether (the original 21 purchased in 2022 and the seven additional purchased in 2024). Axon is working with us to update all body-worn cameras to BWC 4s under a new combined agreement, along with purchasing the additional Taser 7s.

COST

The cost of purchasing the additional Tasers and added services for body-worn cameras and the early renewal of the two agreements will save the village money over the new five-year agreement. If we enter into an early renewal agreement with Axon Enterprises, the village will see savings of approximately \$80,294 over the next five years. (locking in today's pricing for hardware and services)

The first year of the new agreement, \$47,598.49, would be less than the current FY25-26 budgeted amount of \$47,705. (Account 01-51-6500- \$22,947 and account 01-51-6603- \$24,758)

The total cost of the new five-year agreement would be \$313,756.73.

RECOMMENDATION

The Board directs staff to bring a resolution back at their next meeting approving the new agreement with Axon Enterprise Inc., replacing the three existing agreements with Axon Enterprise for Tasers and Body Worn Cameras with this early renewal agreement spanning the next five years.
