

BOARD REPORT

TO: VILLAGE PRESIDENT & BOARD OF TRUSTEES

FROM: SCOTT KOEPEL, VILLAGE ADMINISTRATOR

SUBJECT: RESOLUTION: AUTHORIZING APPROVAL OF ELECTRIC SUPPLY RENEWAL CONTRACT FOR A PERIOD UP TO 48 MONTHS

AGENDA: 4/7/2026

DATE: 4/1/2026

ISSUE

Shall the Village Board approve a resolution authorizing the approval of an electric supply renewal contract for a period up to 48 months?

DISCUSSION

At the Special Meeting held on March 31st the Village Board heard a presentation from Progressive Energy that included electric supply renewal for the Arbor Ave site. The consensus of the Village Board was to enter into a four-year agreement to give certainty and cost control. Due to the time constraints and procedures required for the acceptance of a bid, staff and Progressive Energy recommend giving the Village Administrator the authority to execute the agreement. The new agreement must be executed before April 16, 2026. Our current supplier AEP is expected to be the lowest bidder.

COST

The estimated on peak/off peak pricing is \$0.063/\$0.044.

RECOMMENDATION

The Village Board approves the attached resolution authorizing the Village Administrator to execute a new agreement.

**VILLAGE OF SUGAR GROVE
KANE COUNTY, ILLINOIS**

RESOLUTION NO.: 04072026 AD1

**A RESOLUTION AUTHORIZING APPROVAL OF ELECTRIC SUPPLY RENEWAL
CONTRACT FOR A PERIOD UP TO 48 MONTHS**

WHEREAS the Village of Sugar Grove, Kane County, Illinois ("the Village") is a duly organized and validly existing non-home-rule municipality and political subdivision of the State of Illinois created in accordance with the Constitution of the State of Illinois of 1970 and the laws of the State; and,

WHEREAS, on January 2, 2007, the State of Illinois implemented a plan to deregulate Commonwealth Edison; and,

WHEREAS, as a result of this deregulation, electricity may be purchased based on market price and Commonwealth Edison will no longer be the sole supplier of electricity in Northern Illinois, resulting in new electricity suppliers being able to compete against Commonwealth Edison, and create competitive market forces dictating the price of electricity; and,

WHEREAS, the Village has selected Progressive Energy Group (PEG) to serve as the Village's non-exclusive broker relative to the acquisition of electrical energy for Village facilities, due to PEG's municipal experience in Illinois and being a licensed broker with the Illinois Commission (ICC); and,

WHEREAS, there is no cost to the Village of Sugar Grove if the Village chooses the PEG electricity supplier, being built into the prices of the electricity bid, so there will be no direct payment made to PEG by the Village; and,

NOW, THEREFORE, BE IT RESOLVED by the Board of Trustees of the Village of Sugar Grove, Kane County, Illinois, as follows:

Section 1. The Progressive Energy Group (PEG) is hereby appointed the Village's non-exclusive broker for purposes of obtaining an electricity supply for the City's municipal needs.

Section 2. The Village Administrator is authorized to negotiate energy rates directly with suppliers to secure lower energy costs.

Section 3. Considering the time constraints and procedures required, applicable to the acceptance of a competitive bid for a supply of electricity, once the bids are received by PEG, the Village Administrator is hereby authorized to sign the contract with the most optimal bidder and report the results to the Village Board after the contract is executed.

Section 4. That the Village Administrator is authorized as the Village’s authorized representative in matters concerning the bid.

Section 5: The Resolution shall be in full force and effect from and after its passage, approval, and publication, as provided by law.

PASSED AND APPROVED by the President and the Board of Trustees of the Village of Sugar Grove, Kane County, Illinois, on this **7th**, day of **April 2026**.
