

BOARD REPORT

TO: VILLAGE PRESIDENT & BOARD OF TRUSTEES

FROM: DANIELLE MARION, COMMUNITY DEVELOPMENT DIRECTOR

SUBJECT: RESOLUTION: APPROVING PLAT OF EASEMENTS FOR THE GROVE AREA 1

AGENDA: February 17, 2026

DATE: February 10, 2026

ISSUE

Should that Village Board approve a Resolution approving a Plat of Easement for The Grove Area 1 located off of Merrill Road for the purpose of granting public utility and drainage and Fox Metro sanitary sewer easements.

DISCUSSION

The Village Board previously approved a Plat of Subdivision for The Grove Area 1, which is a detached single-family development consisting of approximately 77 acres. As part of the requirements for the development, easements also need to be granted. The Plat of Subdivision did in fact include easements, however this was approved subject to final engineering approval. The final engineering review is complete and final engineering has been approved. As part of the final engineering review and approval it was determined that additional easements were needed. With the many reviews of the final engineering plans, the engineers identified areas where the overland flood routes exceeded the total 10' width on the side lots and determined the easement needed to be wider so that the flows would always be within an easement that the residents cannot disturb enough to alter these flows. Fox Metro determined in their reviews that they needed extra easements to accommodate their access to their sanitary interceptor. The Village determined that we needed extra public utility and drainage easements to cover additional storm sewers that are placed outside the limits of the original public utility and drainage easements. It was also determined that additional public and utility and drainage easements were necessary to cover the watermain and sanitary sewer main that crosses over the open space/park lot. The attached plat of easements will grant easements for public utility and drainage, Fox Metro access, sanitary sewer, and open space.

COST

All costs associated with this are borne by the applicant.
