

# Proclamation

Honoring  
Village Engineer Brian Schiber  
February 17, 2026

**WHEREAS, Brian Schiber** began his professional journey in Glendale Heights, where he developed his skills in community development and established a strong foundation for excellence; and

**WHEREAS,** in 1996, **Brian** joined the Village of Sugar Grove as its engineer, where he transformed the building permit process and successfully navigated the critical transition to the Fox Metro Water Reclamation District following historic flooding; and

**WHEREAS,** in 1999, **Brian** made Sugar Grove his home, establishing a deep personal connection to the community that has lasted for decades; and

**WHEREAS,** after contributing his engineering skills to the Village of Oswego during its historic growth and serving as City Engineer for Geneva, fate brought **Brian** back to Sugar Grove in 2023; and

**WHEREAS,** in this final chapter of his career, **Brian** has worked alongside the Sugar Grove Public Works team. Together, they have ensured that the Village's infrastructure remains strong and resilient; and

**WHEREAS, Brian Schiber** concludes his career, marked by integrity and mentorship, leaving a lasting impact on the Sugar Grove community and the thousands of lives that benefit from his work every day.

**NOW, THEREFORE,** be it proclaimed that President Sue Stillwell and the Board of Trustees of the Village of Sugar Grove extend their deepest gratitude to **Brian Schiber** for his years of service, technical brilliance, and love for this community. We wish him the very best as he embarks on his most rewarding role yet: a full-time grandpa.

Dated this 17<sup>th</sup> day of February 2026
