Police Building Construction Development Update:

- On January 29, Village Administrator Koeppel, Chief Rollins, and PW Director Merkel attended the bi-weekly meeting with Cordogan Clark regarding the police department remodel/addition project. Status updates were provided, including the construction timeline for the next couple of weeks. The project remains on schedule, with interior work performed on days with colder weather. The outdoor front entrance canopy structure was built over the past couple of weeks on warmer days.
- Drywall is being hung in portions of the building, giving the rooms visual shape within the designated spaces.
- Electrical work is progressing in interior areas, supplying low-voltage power to the existing portion of the building.

- The plumbing contractors continue their work throughout the facility, installing new lines and vents.
- Mechanical work is progressing, and HVAC equipment is being installed.
- The Fire Sprinkler contractor is to begin again installing service lines and sprinkler heads as the various workspaces are readied for their installation.
- The General Contractor is building the interior walls and corridors and preparing the site for interior concrete flooring work next week, on Tuesday, February 3. They are soundproofing some workspaces while the drywall installation is underway.
- On-site meetings are happening daily.

Change Orders: -

- Change Order # 1 \$3,350.00 for puddy pads applied to the backside of the wall electrical boxes to assist with soundproofing throughout some of the interior spaces has occurred.

Beginning**Balance: \$325,000.00**

Change Order #1	\$3,350.00		Puddy Packs	1/23/2026	Kellenberger Electric

Ending Balance: \$321,650.00**Upcoming Activities:**

- None to report

STAFF REPORT

TO: VILLAGE PRESIDENT & BOARD OF TRUSTEES

FROM: BRAD MERKEL, PUBLIC WORKS DIRECTOR

DATE: JANUARY 28, 2026

The following information outlines the status of current projects, meetings, training, and other activities being handled by the department.

Meetings:

Attended a meeting with the BNSF to discuss the Main St crossing improvements related to the IL 47 widening project.

I attended the bi-weekly SGPD Project Meeting.

I have been working on the FYE 2027 Budget.

Public Works Projects:

US 30 & Municipal Drive Pedestrian Crossing. This project started on October 27, 2025, the stone base and concrete portions of the project are complete. Paving was completed on Saturday November 22, 2025. Striping has been completed; we are currently waiting for electrical equipment to arrive and be installed.

IL 47 & Park Ave. intersection improvements. Bids will be opened on February 6, 2026. The results will be presented to the Village Board at the February 20, 2026, Village Board meeting for approval.

Public Works Daily Operations:

Staff repaired a broken water main on Terry Drive.

Staff replaced the Stop sign at Park and Division that was damaged by an auto accident.

Staff completed several parkway tree removals/trimming.

Staff completed Village wide pothole patching.

Staff have started preparing for the IRMA Facility Inspections.

Staff replaced the quiet zone delineators at the Gordon Road crossing.

Staff are performing daily repairs and maintenance on the snow & ice control fleet.

Staff completed 36 Julie Locates since January 14, 2025.

Since January 14 staff have responded to 8 snow & ice control events, traveling 2036 miles and using a total of 325.5 tons of salt.
