ISSUE

Shall the Village Board discuss the fence color for the privacy fence surrounding the recently approved fiber hut facility located off of Route 30?

DISCUSSION

The Village recently approved a Special Use for a Fiber Hut facility to be located off of Route 30 across from the airport. Part of the project includes a solid 8ft privacy fence surrounding the property. The applicants have submitted for their building permit on the project and have provided 4 different colors of fencing that they could use. They are looking for direction from the Village as to what color the fence should be. The color options are as follows:

NOTE:

1. TREX STANDARD FENCE COLOR PALLET. COLOR SELECTION TO BE APPROVED BY THE PLANNING COMMISSION.
2. RECOMMEND EITHER COLOR SADDLE OR WINCHESTER GREY FOR FENCE AND GATE COLOR.
3. FENCE AND GATE TO BE THE SAME COLOR.

RECOMMENDATION
