

BOARD REPORT

TO: VILLAGE PRESIDENT & BOARD OF TRUSTEES

FROM: SCOTT KOEPEL, VILLAGE ADMINISTRATOR

SUBJECT: PRESENTATION: PROGRESSIVE ENERGY – SOLAR REVIEW AND ELECTRIC OPTIONS

AGENDA: March 31, 2026

DATE: March 11, 2026

ISSUE

Progressive Energy Group will present a review of the Village’s Arbor Ave solar farm and electricity pricing options.

DISCUSSION

The Village installed a solar farm at the Arbor Ave water facility. The project included multiple incentives that help pay off the project quickly. The Village also needs to assess their power purchasing ahead of an April 17th deadline. Arnie Schramel from Progressive Energy Group will present market information and answers the Village Board’s questions. After the discussion staff will coordinate with Progressive Energy Group on any future agreements.

COST

There is no cost for the discussion.

ATTACHMENTS

None

RECOMMENDATION

The Village Board review the options and provide a recommendation to staff.
