

Village Update

February 2023

Village Administration and Finance Offices Have Moved!

In order to give the Police Department much needed space in Village Hall, in 2022 the Village Board approved a lease agreement for office space at 160 S. Municipal Drive. The Village is pleased to announce that the Administration and Finance departments have completed their move to the new location.

Residents and customers may now conduct business with the Admin and Finance departments, including utility bill payments, at 160 S. Municipal Drive, Suite 110. The office is located across from the Library just down the street from the Police Department. An after-hours bill payment drop box is now located in the parking lot at the new location. The after-hours bill payment drop box at 10 S. Municipal Drive will remain at the entrance of the Police Department for the next few weeks. February utility bills reflect the new address. All phone numbers remain the same.

The Village is excited about these changes and looks forward to serving you at our new location.
