From the Desk of President Konen

Greetings, Sugar Grove! Although summer is fast approaching, I wanted to take a moment and highlight some of the exciting happenings that occurred this spring. In March I held my first 'Coffee with Konen.' These monthly informal gatherings are a great opportunity for residents to ask me questions or offer comments and suggestions. The next event will be held June 13th from 8:00 -10:00 a.m. at 10 S. Municipal Drive.

Additionally, the Village saw Trustees Matthew Bonnie, Heidi Lendi and Sean Michels sworn into office, welcomed our new Village Administrator Scott Koeppel, celebrated Arbor Day and marked the opening of Burnt Barrel North.

We are not slowing down for the summer either. Our 2023 Road Program is already underway in Windsor Pointe and construction on the final phase of the Dugan Woods Water Main Improvement will start shortly. On June 9th we will welcome back Food Truck Fridays from 4:30 to 7:30 p.m. at 10 S. Municipal Drive and Groovin' in the Grove kicks off its summer concert series on June 15th at 7:00 p.m. at the Library with *Vital Signs*. In addition the carnival will return to the Corn Boil this year when the festival is held July 20th through the 23rd.

2022 Annual Water Quality Report

The 1996 Amendments to the Safe Drinking Water Act require municipalities to inform their customers about the quality of the drinking water for the past year. The 2022 Annual Water Quality Report includes details about where Village of Sugar Grove water comes from, what it contains, and how it compares to standards set by regulatory agencies.

The Village is pleased to report that our compliance with all state and federal drinking water laws remains exemplary. We are committed to delivering the best quality drinking water. To that end, we remain vigilant in meeting the challenges of source water protection, water conservation, and community education while continuing to serve the needs of all of our water users.

Keep Your Curb Clear

When maintaining your lawn this summer, please remember to not discharge grass clippings into the street and gutter. Grass and other debris can clog up stormwater drains and lead to street flooding during rainstorms. Wet grass in the street also poses a danger to motorcyclists and bicyclists.

Please help us maintain our stormwater infrastructure.

If you notice a clogged catch basin or drainage inlet, please contact Public Works at 630-391-7230.

The Grove

Earlier this year the Village was notified that Sugar Grove, LLC will return to the Village with a proposed master-planned community at the I-88 and IL 47 interchange called *The Grove*. Sugar Grove, LLC will host open houses on June 5th and 12th from 6:00 - 8:00 p.m. at Waubensee Community College regarding this project.

For project and open house details, visit www.thegroveillinois.com.

Village Water Conservation Restrictions

Water conservation measures are an important first step in protecting our water supply. All properties connected to the Village Water System must adhere to the following water restrictions:

- Even-numbered street addresses may water on even-numbered calendar dates between the hours of 6:00 a.m. to 9:00 a.m. and 6:00 p.m. to 9:00 p.m.

- Odd-numbered street addresses may water on odd-numbered calendar dates between the hours of 6:00 a.m. to 9:00 a.m. and 6:00 p.m. to 9:00 p.m.

To read all of the regulations, visit sugargroveil.gov. Please contact the Public Works Department at 630-391-7230 or pwadmin@sugargroveil.gov with questions or concerns.

Village Offices Closed on Juneteenth

All Village of Sugar Grove offices will be closed in observance of Juneteenth on Monday, June 19, 2023. Normal business hours will resume Tuesday, June 20.
