NOTE: THERE ARE STEPS AND A CONCRETE WALK UNDER  
NEATH THE RAMP IN FRONT. THIS RAMP IS BUILT IN SUCH  
WAY AS TO BE REMOVED AND PUT BACK IN PLACE IF  
NEEDED. THIS RAMP MAKES IT POSSIBLE FOR ME TO BRING  
GROCERIES AND OTHER THINGS IN FROM THE FRONT. THE  
TURN FOR THE NEW RAMP IS TOO NARROW TO CARRY ANY-  
THING THROUGH THE TURN. IF POSSIBLE PLEASE LET ME  
KEEP THIS.
