Board of Zoning Appeals  
Sycamore Township

Dear Sir or Miss;

We are applying to request permission to install a gate at our property 7904 Kugler mill rd, Cincinnati OH 45243. We have one important reason to require this gate. We have a 9 year old son with special needs, he is unaware of safety. Kugler mill is a very busy street, yesterday he was playing and ran to the street and almost got ran by an automobile. We are afraid this is going to continue happening, we can't even sleep peacefully afraid that he is going to get up and run to the street. We used to live in a cull de sac and he could play outside. We appreciate letting us place the gate for the safety of our child.

If you have any questions or you need doctor's notes please let us know.
