

**Sycamore Township**

**Code Violation**

**Case #SYCC150008**

**Parcel ID. 060002310083**

**Dear Township,**

**I am requesting a variance for my property at 8400 Wicklow. As per your request I have enclosed a copy of my property diagram and fence dimensions for your approval. There should be no concerns about the fence from any of my neighbors on both sides of Mantel since their property does not face mine.**

**The reason I installed the fence is because of the deterioration of the original fence. Additionally I had concerns about the structure integrity of my foundation due to the Honeysuckle overgrowth that destroyed the original fence.**

**Another issue was about pedestrian traffic safety. They were cutting through my backyard and the topography on the hill is extremely dangerous.**

**I appreciate your consideration on this very important matter. I look forward to hearing from you.**

**Sincerely,**

**Scott Payne**
