Beth Gunderson  
Sycamore Township

On behalf of Belcan, as their applicant, I am withdrawing my zoning application for an adjustment to a PUD for Belflex Staffing 11591 Goldcoast Dr. We intend to meet the street scape requirements. To help the street scape to allow as much vision of our building as possible, we will work with Sycamore Township to group trees and possibly other design ideas. This effort will attempt to have our building as visible as shown in our figure 6, 7778 East Kemper and the identical Neals Remodeling building immediately to the west of Figure 6.

Respectfully,
